Neshannock Township School District
3834 Mitchell Rd
Neshannock, PA 16105

2027 E-Rate Project:
Switch Replacement
Cloud Management Implementation

USAC Application Number: _____

**Project Description**

The Neshannock Township School District is seeking qualified firms to provide networking equipment and cloud management subscriptions for networking equipment.

While cost will be the most highly weighted factor in determining the winning bidder, the Neshannock Township School District reserves the right to evaluate bids based on compatibility with the District's existing equipment and the bidder's demonstrable experience providing and/or installing similar equipment.

The Neshannock Township School District reserves the right to modify product quantities. Further, the Neshannock Township School District reserves the right to cancel the project at any time before work has commenced or components have been ordered.

**Scope of Work**

1. Vendor shall provide all equipment as listed in the Equipment Schedule.
    a. Vendor shall provide unit pricing for all components which shall be inclusive of any shipping or other associated costs.
    b. Hardware installation is not required unless specifically noted.

2. Vendor acknowledges that the equipment specified in the Equipment Schedule aligns with existing infrastructure and management systems already in use throughout the campus.

3. Wherever applicable, Vendor shall apply licenses or subscriptions to the District's existing cloud management accounts or dashboards.

4. Vendor acknowledges that the District will select the Service Provider Invoicing method of E-Rate reimbursement.
