Clarification

The following attachments to FCC Form 470 #270001875 mistakenly cite FCC Form 470 #270000011:

- Bath C2 Equipment_Service Spec
- 2027_Bath_C2_Equipment
- Bath C2 Equipment_Q-A_Addendum

Form 470 #270000011 does not exist and was never certified. The reference is a ministerial and clerical error.

Every reference to Form 470 #270000011 in these documents should be read as a reference to FCC Form 470 #270001875.

This addendum corrects that error and extends the competitive bidding period by at least 28 days from its issue date.
