Exhibit C1
PROPOSED CONTRACT SUBJECTS

Instructions:

Bidder may not submit their own standard contract terms and conditions as a replacement to the sample contract or make OFM's acceptance of their Response contingent on such a substitution.

Bidder exceptions to the proposed contract terms and conditions, additional or alternate terms and conditions must be submitted by Bidder with their Response by the Response due date. Bidder should review the proposed contract attached in Exhibit C and, using this attachment, Exhibit C1 - Proposed Contract Subjects, identify any concerns along with proposed alternate and/or additional terms and conditions the Bidder would like to identify. Bidder must explain why each item proposed as additional contract terms is in the OFM's best interest as a customer and how it will support the OFM's business objectives. In addition, Bidder may use the track changes function in the proposed contract document (Exhibit C) and submit the track changes version as a *companion* to but not as a replacement for this document, Exhibit C1.

Bidder would like to use existing contract as stated in RFQ, Section 2.11 – Contract, Use of Previous Contracts.
