Within ten (10) Days of the Notice of Award, the Successful Bidder/Proposer will be required to sign a written Agreement if one has been made a part of this Solicitation Document and identified as the "Agreement".

21) Facilities Inspection

Prior to the award of this Solicitation Document, the County reserves the right to inspect the Bidder's/Proposer's facility and place of business to determine that the Bidder/Proposer has a regular, bona fide established business that is presently an on-going concern and is likely to continue as such, and is capable of providing the products and/or

services, including any later warranty service, or replacement parts support as may be required.

22) Hillsborough County Business Tax

All Offerors are required to comply with Hillsborough County Code of Ordinances and Laws, Part A, Chapter 46, Article III, as may be amended in the future. Failure of an Offeror to comply with such regulation shall not be a basis to protest the County's award of the Contract; instead, any reported failure of an Offeror to comply with these regulations will be referred to the Hillsborough County Tax Collector.

23) Inspection of Samples

After the Bid Submittal Deadline/Close Date, the County reserves the right to review and inspect representative samples of the products/goods being proposed by the apparent lowest responsive Bidder/Proposer. Within ten (10) Business Days of receiving a request from the County, Bidder/Proposer shall provide the County with samples of each item requested for the purpose of the County conducting a quality test or comparison without cost to the County. At the County's option, this inspection may take place locally, at the Bidder's/Proposer's place of business or at a location selected by the County. The County will not be responsible for shipping or other expenses incurred by the Bidder/Proposer in the qualification of its products or company. The County makes no guarantee that samples will be returned; however, samples not destroyed in testing may be available for return upon request (at the Bidder's/Proposer's expense) after testing is completed and after award of the Contract. Failure to provide the samples described above may result in the rejection of Bidder's/Proposer's Offer and/or suspension of Bidder/Proposer from bidding/proposing on County procurements.

24) Licensing

Bidder/Proposer shall be properly licensed for the appropriate category of Work specified in this Solicitation Document. All Bidders/Proposers are requested to submit any required license(s) with their Offers. License(s) must be effective as of the Bid Submittal Deadline/Close Date and must be maintained throughout the Contract Period. Failure to be properly licensed as stated above will result in the rejection of the Offer as non-responsive.

25) Modification and/or Withdrawal of Offer Prior to Close Date

Prior to the Bid Submittal Deadline/Close Date, Offers may be withdrawn upon written request signed by the Bidder/Proposer and submitted and/or postmarked to the County prior to the Bid Submittal Deadline/Close Date. Withdrawn Offers will not be returned to the Bidder/Proposer. Except as specifically provided for herein, Bidders/Proposers may not modify their Offers after the specified Bid Submittal Deadline/Close Date. Negligence on the part of the Bidder/Proposer in preparing its Offer confers no right of withdrawal or modification of its Offer after such Offer has been opened by County staff at the specified time and place. Bidders/Proposers may not withdraw or modify their Offers after the Bid Submittal Deadline/Close Date.

26) No Assignment of Offers

Bidder/Proposer may not assign or otherwise transfer its Offer prior to or after the Bid Submittal Deadline/Close Date.

27) Obtaining Clarification and/or Additional Information

Bidders/Proposers are instructed not to contact County employees regarding this Solicitation Document with the exception of employees of the Procurement Services Department. Potential Bidders/Proposers requesting clarification or additional information should contact the Procurement Services Department at the address/telephone/fax numbers or e-mail address listed in this Solicitation Document.

28) Public Entity Crimes Statement

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit an offer, or reply on a contract to provide any goods or services to a public entity; may not submit an offer, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit offers, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO for a period of thirty-six (36) months following the date of being placed on the convicted vendor list. Additionally, pursuant to County policy, a conviction of a public entity crime may cause the rejection of an Offer. The County may make inquiries regarding alleged convictions of public entity crimes. The unreasonable failure of a Bidder/Proposer to promptly supply information in connection with an inquiry may be grounds for rejection of an Offer.

29) Requested Information and Descriptive Literature

Bidder/Proposer must furnish all requested information in the spaces provided within this Solicitation Document. Additionally, where required, Bidders/Proposers must attach cuts, sketches, descriptive literature and/or complete specifications relating to the items proposed in the Bidder's/Proposer's Offer.

30) Responsibility Survey

The apparent low Offeror will be so notified by County staff and may be required, upon receiving such notice, to complete and return the Responsibility Survey form as identified within the attachments and provide all information and documentation requested therein within five (5) Business Days. If, after reviewing the Responsibility Survey and accompanying submissions, the County elects to reject the apparent low Offeror based on its responsibility evaluation, the County may perform the same responsibility evaluation, in succession, with each apparent next lowest Offeror until a contract is awarded to a suitable candidate or withdrawn.

31) Submittal Deadline

Offeror must submit its Offer prior to the time specified in the Close Date. Late Offers will not be accepted.

32) Taxes

State sales and Federal Excise taxes shall not be included in the Bidder's/Proposer's Offer, as Hillsborough County is tax exempt. The Director of Procurement Services will sign exemption certificates submitted by the Bidder/Proposer.

33) Time Period Offer is Valid

Offeror's Offer shall be in force for a period of not less than ninety (90) Days after the Close Date. Further, said Offer shall continue in force after said ninety (90) Day period, until thirty (30) Days following the date of receipt by County of written notice from the Offeror of its intent to withdraw its Offer, or until the date specified in said written notice as the expiration date of the Offer, whichever is later. The aforementioned time periods will remain in effect irrespective of whether an award has been made by the County. Notwithstanding the provisions of the preceding sentence, the Offeror may extend its Offer at any time prior to the scheduled expiration thereof.

34) Unbalanced Offers and/or Excessive Line Item Prices

The County reserves the right to reject any Offer in which unit prices, in the sole opinion of the County, are unbalanced. In addition, where the County has decided to award this Solicitation Document, it further reserves the right not to utilize a particular line item that, in the sole opinion of the County, is excessively priced, and reserves the right to obtain that item from another source.

E) General Terms and Conditions

1) Applicable Law

Unless otherwise specified, this Contract, including, but not limited to, the interpretation, bidding, award, execution and implementation thereof, shall be governed by the laws, rules, and regulations of the State of Florida.

2) Changes in the Work/Unilateral Change Orders/Modifications

a) Without invalidating the Contract, the County may, at any time or from time to time, through its Director of Procurement Services or designee, order additions, deletions or revisions in the Work, the same being authorized by Change Order, Unilateral Change Order or Modification Agreement. The cumulative total of Unilateral Change Orders shall not exceed \$25,000.00. Once the \$25,000.00 cap is reached, all other additions, deletions, or revisions shall be valid and enforceable only when authorized by a written Modification Agreement executed by the Contractor and the County, and may be subject to approval by the Board of County Commissioners. Only upon receipt of a Change Order, Unilateral Change Order or Modification Agreement shall the Contractor be authorized to proceed with the Work involved. All such Work shall be executed under the applicable terms and conditions contained in the Contract Documents.

b) Additional Work performed by the Contractor without the authorization of a Change Order, Unilateral Change Order or Modification Agreement will not entitle the Contractor to an increase in the Contract Price or an extension of the Contract Time except in the case of an emergency as provided for herein. The effect of this paragraph shall remain paramount and shall prevail irrespective of any conflicting provisions contained in these Contract Documents.

c) The County will execute an appropriate Modification Agreement if such Modification Agreement is approved by the County's Board of County Commissioners. Such Modification Agreement will be prepared by the Project Manager and shall cover changes in the Work to be performed, Work performed in an emergency, and/or any other claim of the Contractor for a change in the Contract Time or the Contract Price.

d) It is the Contractor's responsibility to notify its Surety of any changes affecting the general scope of the Work/Services or change of the Contract Price, and the amount of the applicable Bond(s) shall be adjusted

accordingly.

3) Contractor Must Have Legally Authorized Workforce

a) Contractor is advised that the County has entered into an agreement (the IMAGE Agreement) with U.S. Immigration and Customs Enforcement (ICE) wherein the County will, in part, seek to promote the principles of ethical business conduct, prevent knowingly hiring unauthorized workers through self-governance, and encourage voluntary reporting of the discovery of unauthorized workers to ICE. Accordingly, by submitting its Offer, Contractor represents and warrants:

- i) that Contractor is in compliance with all applicable Federal, State and local laws, including, but not limited to, the laws related to the requirement of an employer to verify an employee's eligibility to work in the United States,
- ii) that all of Contractor's employees are legally eligible to work in the United States, and
- iii) that the Contractor has actively and affirmatively verified such eligibility utilizing the Federal Government's Employment Eligibility Verification Form (the Form I-9).

b) A mere allegation of Contractor's intent to use and/or current use of unauthorized workers may not be a basis to delay the County's award of a Contract to the Contractor unless such an allegation has been determined to be factual by ICE prior to the date the Contract is scheduled to be awarded by the County.

c) Legitimate claims of the Contractor's use of unauthorized workers must be reported to both of the following agencies: The County's Compliance Services hotline at (813) 272-6554; and ICE (Immigration and Customs Enforcement) at 1-866-DHS-2-ICE (1-866-347-2423).

d) In the event it is discovered that the Contractor's employees are not legally eligible to work in the United States, then the County may, in its sole discretion, demand that the Contractor cure this deficiency within a specified time frame, and/or immediately terminate the Contract without any cost or penalty to the County, and/or debar the Contractor from bidding on all County contracts for a period of up to 24 months, and/or take any and all legal action deemed necessary and appropriate.

e) Contractor is encouraged (but not required) to incorporate the following IMAGE Best Practices into its business and, when practicable, incorporate verification requirements into its agreements with Subcontractors:

- i) Use the Department of Homeland Security employment eligibility verification program (E-Verify) to verify the employment eligibility of all new hires.
- ii) Use the Social Security Number Verification Service and make a good faith effort to correct and verify the names and Social Security numbers of the current workforce. Establish a written hiring and employment eligibility verification policy.
- iii) Establish an internal compliance and training program related to the hiring and employment verification process, to include, but not be limited to, completion of Form I-9, how to detect fraudulent use of documents in the verification process, and how to use E-Verify and the Social Security Number Verification Service.
- iv) Require the Form I-9 and E-Verify process to be conducted only by individuals who have received appropriate training and include a secondary review as part of each employee's verification to minimize the potential for a single individual to subvert the process.
- v) Arrange for annual Form I-9 audits by an external auditing firm or a trained employee not otherwise involved in the Form I-9 process.
- vi) Establish a procedure to report to ICE credible information of suspected criminal misconduct in the

employment eligibility verification process.

vii) Establish a program to assess subcontractors' compliance with employment eligibility verification requirements. Encourage contractors to incorporate the IMAGE Best Practices contained in this paragraph and, when practicable, incorporate the verification requirements in Subcontractor agreements.

viii) Establish a protocol for responding to letters received from Federal and State government agencies indicating that there is a discrepancy between the agency's information and the information provided by the employer or employee; for example, "no match" letters received from the Social Security Administration.

ix) Establish a tip line mechanism (inbox, e-mail, etc.) for employees to report activity relating to the employment of unauthorized workers, and a protocol for responding to employee tips.

x) Establish and maintain appropriate policies, practices, and safeguards against use of the verification process for unlawful discrimination, and to ensure that U.S. citizens and authorized workers do not face discrimination with respect to hiring, firing, recruitment or referral for a fee because of citizenship status or national origin.

(xi) Maintain copies of any documents accepted as proof of identity and/or employment authorization for all new hires.

4) Contractor Use of Hillsborough County For Marketing Prohibited

The Contractor shall in no way use any statements, whether written or oral, made by the County's employees to market, sell, promote or highlight the Contractor and/or the Contractor's product(s) and/or service(s) unless authorized to do so, in writing, by the County Administrator or his/her designee. In addition, the Contractor shall not use subjective or perceived interpretations, even if factual, regarding the County's opinion of the Contractor's performance, product(s) and/or service(s) in any document, article, publication or press release designed to market, promote or highlight the Contractor and/or the Contractor's product(s) and/or service(s). This does not prevent the Contractor from including the County on its client lists and/or listing or using the County as a reference.

5) Contractor's Responsibilities

The Contractor will give all notices and comply with all laws, ordinances, rules and regulations applicable to the Work and/or Project. If the Contractor observes that the Specifications are at variance with such laws, ordinances, rules or regulations, then the Contractor will give the County prompt written notice thereof, and any necessary changes shall be adjusted by an appropriate Change Order, Unilateral Change Order or Modification Agreement to the Contract. If the Contractor performs any Work knowing that such Work is contrary to such laws, ordinances, rules and regulations and without giving such notice to the County, the Contractor will bear all costs arising therefrom; however, it shall not be the Contractor's primary responsibility to ensure that the Specifications are in accordance with such laws, ordinances, rules and regulations.

6) County as Intended Beneficiary of Subcontracts

The County shall be an intended substantial beneficiary of the written agreements between the Contractor and its subcontractors.

7) Emergencies

In emergencies affecting the safety of persons, the Work/Project or property at the site of such Work/Project or adjacent thereto, the Contractor, without special instruction or authorization from the County, is obligated to act at the Contractor's discretion to prevent threatened damage, injury or loss. The Contractor shall give the County prompt written notice of any significant changes in the Work/Project or deviations from the Contract Documents caused thereby, and a Change Order, Unilateral Change Order or Modification Agreement shall be issued covering the changes and deviations involved. If the Contractor believes that additional work done by it in an emergency which arose from causes beyond the Contractor's control entitles the Contractor to an increase in the Contract Price or an extension of the Contract Time, the Contractor may make a claim for the same. Such increase in Contract Price and/or extension of the Contract Time will be included in the Change Order, Unilateral Change Order or Modification Agreement if such claim is approved by the County.

8) Failure to Perform

If, during the Contract Period, the Contractor should refuse or otherwise fail to perform any of its obligations under the Contract, the County reserves the right to:

- a) Obtain the goods, Services and/or Work from another contractor; and/or
- b) Terminate the Contract; and/or
- c) Suspend/debar the Contractor from bidding on County solicitation documents for a period of up to twenty-four (24) months; and/or
- d) Pursue any and all other remedies available to the County.

9) Fiscal Non-Funding/Availability of Funding

The award of this Solicitation Document is contingent upon the availability of funding. Furthermore, if funding during the Contract Period becomes unavailable, the County reserves the right to terminate the Contract after providing the Contractor no less than twenty-four (24) hours written notice, provided that, the County will pay the Contractor for any authorized goods and/or Services provided prior to the Contractor's receipt of said termination notice. The County shall be the final authority as to the availability of funds.

10) Hand Sanitizer Ordinance

Hand Sanitizer Ordinance; Hillsborough County, Florida - Code of Ordinances and Laws, Part A, Chapter 28, Article III. (This provision shall be applicable only if the Services and/or Work to be performed under this Contract will involve and/or require the use of portable restrooms.) 12) Indemnification

a) General Liability Indemnification - with respect to any Work, Services and/or goods provided pursuant to this Contract, the Contractor shall be liable for the actions of its agents, employees, partners, or subcontractors and shall indemnify, defend, and hold harmless the County, and its officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to personal injury and/or damage to real or personal tangible property alleged to be caused, in whole or in part, by Contractor, its agents, employees, partners, or subcontractors, provided, however, that the Contractor shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the County.

b) Patent and Copyright Indemnification - with respect to any Work, Services and/or goods provided pursuant to this Contract, the Contractor shall indemnify, defend, and hold harmless the County from any suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to violation or infringement of trademark, copyright patent, trade secret or intellectual property right, provided, however, that the foregoing obligation shall not apply to a County's misuse or modification of Contractor's products or County's operation or use of Contractor's products in a manner not contemplated by the Contract. If any product is the subject of an infringement suit, or in the Contractor's opinion is likely to become the subject of such a suit, the Contractor may, at its sole expense, procure for the County the right to continue using the product or to modify it to become non-infringing. If the Contractor is not reasonably able to modify or otherwise secure for the County the right to

continue using the product, the Contractor shall remove the product and refund the County the amounts paid in excess of a reasonable rental for past use. The County shall not be liable for any royalties.

c) The Contractor's obligations under the preceding two paragraphs with respect to any legal action are contingent upon the County giving the Contractor:

- i) written notice of any action or threatened action;
- ii) the opportunity to take over and settle or defend any such action at Contractor's sole expense; and
- iii) assistance in defending the action at Contractor's sole expense. The Contractor shall not be liable for any cost, expense, or compromise incurred or made by the County in any legal action without the Contractor's prior written consent, which shall not be unreasonably withheld.

13) Injury and/or Damage Claims

Should the County or the Contractor suffer injury or damage to its person or property because of any error, omission or act of the other or of any of its employees, agents or others for whose acts it is legally liable, claim should be made in writing to the other party within a reasonable time of the first observance of such injury or damage.

14) Interpretation and Intent of Contract Documents

The Contract Documents are complementary; what is called for by one Contract document is as binding as if called for by all of the Contract Documents. If the Contractor finds a conflict, error or discrepancy in the Contract Documents, the Contractor must bring it to the County's attention in writing before proceeding with the Work affected thereby. In resolving such conflicts, errors and discrepancies, the Contract Documents shall be given preference in the following order: 1) Agreement, 2) Amendment(s) (if applicable to this Solicitation Document), 3) Specifications, 4) Special Terms and Conditions, 5) General Terms and Conditions, and 6) Instructions. Any Work that may reasonably be inferred from the Specifications and/or drawings/maps as being required to produce the intended result shall be supplied whether or not it is specifically called for. Work, materials or equipment described in words which, when applied, have a well-known technical or trade meaning shall be deemed to refer to such recognized standards. In case of conflict, the more stringent requirements shall take precedence.

15) Laws and Regulations

The Contractor is hereby advised that all applicable Federal and State laws, municipal and County ordinances, and the rules and regulations of all authorities having jurisdiction over any part of the goods, Services and/or Work provided under this Contract shall be deemed to be a part of this Contract.

16) Maintenance of Records/Public Records Law

a) In accordance with Chapter 119, Florida Statutes, and, except as may be provided by other applicable State and Federal laws, all Bidders/Proposers should be aware that this Solicitation Document and all Offers are in the public domain and are available for public inspection. Bidders/Proposers are requested, however, to identify specifically any information contained in their Offers which they consider confidential and/or proprietary, inclusive of trade secrets as defined in s. 812.081, Florida Statutes, and which they believe to be exempt from disclosure, citing specifically the applicable exempting law and including narrative explaining the applicable legal exemption as it relates specifically to Bidder's/Proposer's confidential and/or proprietary information.

b) All Offers received in response to this Solicitation Document will become the property of the County and will not be returned. In the event of an award, all documentation produced as part of the Contract will become the exclusive property of the County.

c) All materials that qualify for exemption from Chapter 119, Florida Statutes, or other applicable law must be submitted in an attachment or in a separate envelope, clearly identified as "EXEMPT FROM PUBLIC DISCLOSURE" with Bidder's/Proposer's name and the Solicitation Document number marked on the outside.

d) The County will not accept Offers when the entire Offer is labeled as exempt from public disclosure.

e) Be aware that the designation of an item as exempt from public disclosure by a Bidder/Proposer may be challenged in court by any person or entity. By designation of material in the Offer as exempt from public disclosure, Bidder/Proposer agrees to defend the County (and its employees, agents and elected and appointed officials) against all claims and actions (whether or not a lawsuit is commenced) related to Bidder's/Proposer's designation of material as exempt from public disclosure and to hold harmless the County (and its employees, agents and elected and appointed officials) from any award to a plaintiff for damages, costs and attorneys' fees, incurred by the County by reason of any claim or action related to Bidder's/Proposer's designation of material as exempt from public disclosure.
