State and Local Procurement Restrictions

To be considered, all correspondence, questions and bid responses must be directed to the Technical Contact listed on the RFP. Autogenerated bids will not be accepted and will be considered SPAM. Bidders must be in compliance with all E-Rate rules and regulations. Bidders must be able to process reimbursement via the SPI (Form 474) invoicing method and must agree to accept only fair share plus any ineligibles throughout the contract term unless entity specifies otherwise. Vendor must be willing to set up billing accounts and/or invoices by site location and/or service, based on the entities sole discretion. By submitting a quote, the service provider agrees to accept a la carte pricing, allowing the entity to increase, decrease or eliminate the number of units, quantity, sections or service(s) proposed without changing the individual cost per unit proposed. The vendor also agrees to allow these types of changes and will consider the quote a contract as long as the quote or proposal is signed by the entity within the proposal time

frame or within 12 months from the day the quote is received if no date is specified. If the 470 request has the Installation and Initial Configuration box checked as Yes, entity has the right to disqualify the bid if Installation and Initial Configuration is not included in the bid response. Vendor must provide all E-Rate related documentation including but not limited to PIA response, to the entity upon request. Vendor agrees to provide end of year eligible cost breakdown for service and or equipment for BEAR (Form 472) submission(s). All bidders must provide "Lowest Corresponding Price" (LCP) as indicated on the FCC's Fourth Report & Order (FCC-97-420). Any proposal that includes grey market equipment or does not contain the proper certification(s) and proof may disqualify the bid response. The awarding of any bids and any ensuing contracts are contingent upon receiving approval for E-Rate discount, and/or the availability of specifically budgeted funds. All purchases must comply with state law. All vendors must have a valid SPIN and agree to file an annual SPAC (Form 473) for bidding the current Funding Year and throughout the contract term. Providers debarred from Federal, State or Local agencies cannot offer bids. If any provision of this statement agreement is deemed illegal, invalid, unenforceable or void by any court of competent jurisdiction, such provision shall be deemed stricken and deleted herefrom, but all remaining provisions will remain and continue in full force and effect. Response, quote or proposal submission indicates vendor has agreed and will adhere to the terms presented. If not acceptable, please do not submit a quote.
