Internet Access and/or Telecommunications	Transport Only - No ISP Service Included		1 Gbps	1 Gbps	3	1	Circuits	Yes	Yes	

Description of Other Functions

Id	Name

Narrative
Item 1 - 8 POTS Lines - Include all eligible associated taxes and fees with bid. Installation, activation and configuration should be bid separately if applicable. Item 2 - Long Distance Service for 8 POTS Lines and 1 PRI Circuit (supports VOIP) - - Include all eligible associated taxes and fees with bid. Installation, activation and configuration should be bid separately if applicable. Item 3 - PRI Circuit for VOIP Service - Include all eligible associated taxes and fees with bid. Installation, activation and configuration should be bid separately if applicable. Item 4 - 3 Toll Free 800 Numbers - Include all eligible associated taxes and fees with bid. Installation, activation and configuration should be bid separately if applicable. Item 5 - Cellular Voice Service 5 Lines - voice service only, all other services should be listed and priced separately. Include all eligible associated taxes and fees with bid. Installation, activation and configuration should be bid separately if applicable. Item 6 - Seeking bids for 100 Mbps of bandwidth (existing) for the current level of service as the district seeks to move to a higher bandwidth for 2017-18 funding year. The existing bandwidth is insufficient to support the enhanced computing environment for 2017-18. Demarc address is 101 Pohlemann Drive Apache, OK 73006 . The school district needs 250 Mbps bandwidth and will consider bids for bandwidth levels from 100 Mbps to 250 Mbps in order to select the most cost effective solution for the district per FCC rules. Include all eligible monthly charges, non-recurring charges, estimated surcharges, associated taxes and fees with bid. Installation, activation, construction and configuration should be bid separately if applicable. All bidders must have a CCN for Oklahoma Universal Service Fund. In compliance with OUSF guidelines, the district requires a minimum of 250 Mbps bandwidth. Lower bandwidths will be considered only if 250 Mbps is not available in at an affordable rate. Bidders may provide pricing for 150 Mbps, 200 Mbps and 250 Mbps. All bidders must provide a detailed cost allocation for any bundled services. The district may consider multi-year contracts featuring voluntary annual renewals for total contract length up to 5 years. Please provide all terms offered in your bid response. Bidders must also include one-year pricing. Item 7 - Seeking bids for 1 GB district wide leased WAN connecting elementary, middle school and high school. Include all eligible taxes and fees associated with service. Installation, activation and configuration should be bid separately if applicable. All bidders must be eligible to receive Oklahoma Universal Service Funding in the exchange where the services will be delivered. Bid should list all costs associated with service. Bidder must be file for OUSF eligible services within 90 days of starting service. Bidder must list any construction charges separately from monthly recurring charges. Bidder must install and cutover service NLT 07/01/2017. Bids must address service call response time, uptime statistics and case escalation criteria. Multi-year pricing must NOT include non-renewal charges or liquidated damage clauses. Service subject to cancellation with 30 day notice with no additional charges after first year of service.

Certifications

I certify that the applicant includes:

I certify that the applicant includes schools under the statutory definitions of elementary and secondary schools found in the No Child Left Behind Act of 2001, 20 U.S.C. §§ 7801 (18) and (38), that do not operate as for-profit businesses, and do not have endowments exceeding $50 million.

Other Certifications

I certify that this FCC Form 470 and any applicable RFP will be available for review by potential bidders for at least 28 days before considering all bids received and selecting a service provider. I certify that all bids submitted will be carefully considered and the bid selected will be for the most cost-effective service or equipment offering, with price being the primary factor, and will be the most cost-effective means of meeting educational needs and technology goals.

I certify that I have reviewed all applicable FCC, state, and local procurement/competitive bidding requirements and that I have complied with them. I acknowledge that persons willfully making false statements on this form may be punished by fine or forfeiture, under the Communications Act, 47 U.S.C. §§ 502, 503(b), or fine or imprisonment under Title 18 of the United States Code, 18 U.S.C. § 1001.

I acknowledge that FCC rules provide that persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the schools and libraries support mechanism are subject to suspension and debarment from the program.

I certify that I will retain required documents for a period of at least 10 years (or whatever retention period is required by the rules in effect at the time of this certification) after the later of the last day of the applicable funding year or the service delivery deadline for the associated funding request. I certify that I will retain all documents necessary to demonstrate compliance with the statute and Commission rules regarding the form for, receipt of, and delivery of services receiving schools and libraries discounts. I acknowledge that I may be audited pursuant to participation in the schools and libraries program. I certify that the services the applicant purchases at discounts provided by 47 U.S.C. § 254 will be used primarily for educational purposes, see 47 C.F.R. § 54.500, and will not be sold, resold or transferred in consideration for money or any other thing of value, except as permitted by the Commission's rules at 47 C.F.R. § 54.513. Additionally, I certify that the entity or entities listed on this form have not received anything of value or a promise of anything of value, other than services and equipment sought by means of this form, from the service provider, or any representative or agent thereof or any consultant in connection with this request for services.

I acknowledge that support under this support mechanism is conditional upon the school(s) and/or library(ies) I represent securing access, separately or through this program, to all of the resources, including computers, training, software, internal connections, maintenance, and electrical capacity necessary to use the services purchased effectively. I recognize that some of the aforementioned resources are not eligible for support. I certify that I have considered what financial resources should be available to cover these costs. I certify that I am authorized to procure eligible services for the eligible entity(ies). I certify that I am authorized to submit this request on behalf of the eligible entity(ies) listed on this form, that I have examined this request, and to the best of my knowledge, information, and belief, all statements of fact contained herein are true.

NOTICE:

In accordance with Section 54.503 of the Federal Communications Commission's ("Commission") rules, certain schools and libraries ordering services that are eligible for and seeking universal service discounts must file this Description of Services Requested and Certification Form (FCC Form 470) with the Universal Service Administrator. 47 C.F.R. § 54.503. The collection of information stems from the Commission's authority under Section 254 of the Communications Act of 1934, as amended. 47 U.S.C. § 254. The data in the report will be used to ensure that schools and libraries comply with the competitive bidding requirement contained in 47 C.F.R. § 54.503. Schools and libraries must file this form themselves or as part of a consortium.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The FCC is authorized under the Communications Act of 1934, as amended, to collect the information requested in this form. We will use the information you provide to determine whether you have complied with the competitive bidding requirements applicable to requests for universal service discounts. If we believe there may be a violation or a potential violation of any applicable statute, regulation, rule or order, the information you provide in this form may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing, or implementing the statute, rule, regulation or order. In certain cases, the information you provide in this form may be disclosed to the Department of Justice or a court or adjudicative body when (a) the FCC; or (b) any employee of the FCC; or (c) the United States Government is a party of a proceeding before the body or has an interest in the proceeding. In addition, information provided in or submitted with this form, or in response to subsequent inquiries, may also be subject to disclosure consistent with the Communications Act of 1934, FCC regulations, the Freedom of Information Act, 5 U.S.C. § 552, or other applicable law.

If you owe a past due debt to the federal government, the information you provide in this form may also be disclosed to the Department of the Treasury Financial Management Service, other Federal agencies and/or your employer to offset your salary, IRS tax refund or other payments to collect that debt. The FCC may also provide the information to these agencies through the matching of computer records when authorized.

If you do not provide the information we request on the form, the FCC or Universal Service Administrator may return your form without action or deny a related request for universal service discounts.

The foregoing Notice is required by the Paperwork Reduction Act of 1995, Pub. L. No. 104-13, 44 U.S.C. § 3501, et seq.

Public reporting burden for this collection of information is estimated to average 3.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing, and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the reporting burden to the Federal Communications Commission, Performance Evaluation and Records Management, Washington, DC 20554. We also will accept your comments via the email if you send them to PRA@FCC.gov. DO NOT SEND COMPLETED WORKSHEETS TO THESE ADDRESSES.
