Narrative

The District is seeking bids on the services and equipment listed below. All bids should be submitted by building. Sales tax, installation and any other costs associated with the bid should be included but listed on separate line of you bid. All bids should be submitted by the allowable contract date listed on this Form 470. Please refer to the attached RFP for more details in preparing a bid.

Marcus Whitman Middle School

MWMS needs a new IDF (#4) and new network cabling from the CTE STEM lab to IDF 2.

The new IDF 4 will need these items supplied and installed:

- o A fire rated and painted back board

- o A 12U wall rack (similar to CUBE-IT 11900-x24 Tempered Glass front door 24h x 24w x 24d)
 - o Grounding and bonding of the rack
 - o Extend power to the rack in a 5-20r quad.
 - o 4 core to get from the first floor to the second floor
 - o A 12 strand Corning multi-mode OM4 50 micron fiber run approx. 350-400 terminated with LC connectors from the IDF2 closet to the location of the new IDF 4 closet that will support 10GB ethernet.
 - o The IDF2 rack will need some fiber panel consolidation to make space for the new IDF4 fiber terminations.
The CTE STEM lab will need:
 - o 48 white CommScope Cat6 cables run from a CommScope Cat6 48-port patch panel in the lab to IDF2 to a CommScope Cat6 48-port patch panel.
 - o In IDF2, there are 17 Cat6 cables terminated in a Belden patch panel that will need to be relocated and re-terminated on AMP jacks in an existing AMP Cat6 patch panel to make space for the additional 48 port Cat6 CommScope patch panel in the bullet point above.
- John Sedgwick Middle School
JSMS needs a new IDF (#4) in the current CTE STEM lab closet. The existing rack and cabling for the CTE STEM lab will be used
- The new IDF 4 will need these items supplied and installed:
- o Grounding and bonding of the rack
 - o 4 core to get from the first floor to the second floor
 - o A 12 strand Corning multi-mode OM4 50 micron fiber run approx. 350-400 terminated with LC connectors from the IDF2 closet to the location of the new IDF 4 closet that will support 10GB ethernet.
 - o The IDF2 rack may need some fiber panel consolidation to make space for the new IDF4 fiber terminations.
- At SCES in IDF2, we need to replace the current 6U wall rack with a new 12U wall rack in a very tight space.
- The IDF 2 will need these items supplied and installed:
- o A fire rated and painted back board (As needed)
 - o A 12U wall rack (similar to CUBE-IT 11900-x24 Tempered Glass front door 24h x 24w x 24d)
 - o Grounding and bonding of the rack (As needed)
 - o Move the existing fiber and coper patch panels and cabling to the new rack.

Certifications

I certify that the applicant includes:

I certify that the applicant includes schools under the statutory definitions of elementary and secondary schools found in the No Child Left Behind Act of 2001, 20 U.S.C. §§ 7801 (18) and (38), that do not operate as for-profit businesses, and do not have endowments exceeding \$50 million.

Other Certifications

I certify that this FCC Form 470 and any applicable RFP will be available for review by potential bidders for at least 28 days before considering all bids received and selecting a service provider. I certify that all bids submitted will be carefully considered and the bid selected will be for the most cost-effective service or equipment offering, with price being the primary factor, and will be the most cost-effective means of meeting educational needs and technology goals.

I certify that I will retain required documents for a period of at least 10 years (or whatever retention period is required by the rules in effect at the time of this certification) after the later of the last day of the applicable funding year or the service delivery deadline for the associated funding request. I certify that I will retain all documents necessary to demonstrate compliance with the statute and Commission rules regarding the form for, receipt of, and delivery of services receiving schools and libraries discounts. I acknowledge that I may be audited pursuant to participation in the schools and libraries program.

I certify that I have reviewed all applicable FCC, state, and local procurement/competitive bidding requirements and that I have complied with them. I acknowledge that persons willfully making false statements on this form may be punished by fine or forfeiture, under the Communications Act, 47 U.S.C. §§ 502, 503(b), or fine or imprisonment under Title 18 of the United States Code, 18 U.S.C. § 1001.

I acknowledge that FCC rules provide that persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the schools and libraries support mechanism are subject to suspension and debarment from the program.

I certify that the services the applicant purchases at discounts provided by 47 U.S.C. § 254 will be used primarily for educational purposes, see 47 C.F.R. § 54.500, and will not be sold, resold or transferred in consideration for money or any other thing of value, except as permitted by the Commission's rules at 47 C.F.R. § 54.513. Additionally, I certify that the entity or entities listed on this form have not received anything of value or a promise of anything of value, other than services and equipment sought by means of this form, from the service provider, or any representative or agent thereof or any consultant in connection with this request for services.

I acknowledge that support under this support mechanism is conditional upon the school(s) and/or library(ies) I represent securing access, separately or through this program, to all of the resources, including computers, training, software, internal connections, maintenance, and electrical capacity necessary to use the services purchased effectively. I recognize that some of the aforementioned resources are not eligible for support. I certify that I have considered what financial resources should be available to cover these costs. I certify that I am authorized to procure eligible services for the eligible entity(ies). I certify that I am authorized to submit this request on behalf of the eligible entity(ies) listed on this form, that I have examined this request, and to the best of my knowledge, information, and belief, all statements of fact contained herein are true.

NOTICE:

In accordance with Section 54.503 of the Federal Communications Commission's ("Commission") rules, certain schools and libraries ordering services that are eligible for and seeking universal service discounts must file this Description of Services Requested and Certification Form (FCC Form 470) with the Universal Service Administrator. 47 C.F.R. § 54.503. The collection of information stems from the Commission's authority under Section 254 of the Communications Act of 1934, as amended. 47 U.S.C. § 254. The data in the report will be used to ensure that schools and libraries comply with the competitive bidding requirement contained in 47 C.F.R. § 54.503. Schools and libraries must file this form themselves or as part of a consortium.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The FCC is authorized under the Communications Act of 1934, as amended, to collect the information requested in this form. We will use the information you provide to determine whether you have complied with the competitive bidding requirements applicable to requests for universal service discounts. If we believe there may be a violation or a potential violation of any applicable statute, regulation, rule or order, the information you provide in this form may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing, or implementing the statute, rule, regulation or order. In certain cases, the information you provide in this form may be disclosed to the Department of Justice or a court or adjudicative body when (a) the FCC; or (b) any employee of the FCC; or (c) the United States Government is a party of a proceeding before the body or has an interest in the proceeding. In addition, information provided in or submitted with this form, or in response to subsequent inquiries, may also be subject to disclosure consistent with the Communications Act of 1934, FCC regulations, the Freedom of Information Act, 5 U.S.C. § 552, or other applicable law.

If you owe a past due debt to the federal government, the information you provide in this form may also be disclosed to the Department of the Treasury Financial Management Service, other Federal agencies and/or your employer to offset your salary, IRS

tax refund or other payments to collect that debt. The FCC may also provide the information to these agencies through the matching of computer records when authorized.

If you do not provide the information we request on the form, the FCC or Universal Service Administrator may return your form without action or deny a related request for universal service discounts.

The foregoing Notice is required by the Paperwork Reduction Act of 1995, Pub. L. No. 104-13, 44 U.S.C. § 3501, et seq.

Public reporting burden for this collection of information is estimated to average 3.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing, and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the reporting burden to the Federal Communications Commission, Performance Evaluation and Records Management, Washington, DC 20554. We also will accept your comments via the email if you send them to PRA@FCC.gov. DO NOT SEND COMPLETED WORKSHEETS TO THESE ADDRESSES.
