State and Local Procurement Restrictions

Through this FCC Form 470, the State of Florida Department of Management Services (DMS) seeks to extend the services offered under the current contract identified as 14-973-800-R and services currently eligible under FCC Form 470: 170051124 according to federal, state, and local rules, including but not limited to FCC Order DA 99-1773, Chapter 282, Florida Statutes, Chapter 287, Florida Statutes, ([http://www.leg.state.fl.us/ Statutes](http://www.leg.state.fl.us/Statutes)), and Chapter 60, Florida Administrative Code (<https://www.flrules.org>). DMS will carefully consider any bona fide responses to this posting according to state, local, and current USF program rules. The Department of Management Services is authorized by Chapter 282, Florida Statutes, to provide services to all E-rate eligible entities in the state of Florida. For further information on applicable Florida statutes and rules, please contact Robert Downie at Robert.Downie@dms.myflorida.com. Other restrictions include the following: Respondents must agree as part of their submission that equivalent services for the current customer base will be available for turn-up and/ or delivery no later than June 30, 2018. As the services described today in this FCC Form 470 and referenced in 14-973-800-R migrate to more advanced services or better pricing, DMS will position the state to take advantage of those offerings in compliance with state and program rules. The timing will depend upon market availability and the life cycle of the contracts. Please refer to the DMS Division of Telecommunications E-rate website (https://www.dms.myflorida.com/business_operations/telecommunications/suncom2/e_rate) for further information on DMS FCC Form 470 filings. This FCC Form 470 is for services beginning program funding year 2018
