State and Local Procurement Restrictions

We will consider multi-year contracts with or without voluntary extensions. All cost proposals must reflect the LCP (Lowest Corresponding Price), GSA pricing, and any available governmental unit discounts including existing state purchasing agreements or contracts when applicable. Any proposal referencing an existing state purchasing agreement or contract must include that information in the proposal. Bid prices must be complete for the services proposed and shall include all associated costs, even if the amounts are estimates based upon current applicable taxes, surcharges, or fees. Proposals MUST separate eligible and ineligible services by line item for all services to which service provider responds. No proposal can be submitted that includes equipment or components for equipment from companies deemed to provide a national security risk as defined by FCC Order 19-121.

All bidders are encouraged to:

- 1. Read and follow the RFP carefully.
- 2. Adhere to the FCC E-Rate rules.
- 3. Monitor EPC for updates and information throughout the bidding process.

Failure to meet any requirement in this 470 or RFP will be sufficient cause to disqualify your proposal.
