Narrative
Innovation AcademySRQ formerly known at Suncoast School for Innovative Studies (just 82 students in 7 homerooms) is seeking funding to improve our network delivery of educational Internet content. We are excited to apply for Category Two Funding to improve our equipment complement. IA needs to replace aging switches (16, 48 and 64 ports) and provide additional Wireless Access Points. There are multiple "dead areas" in our former Church edifice that was constructed more than 50 years ago! It is crystal clear that their must be rewiring from our Main Data Closet to many rooms. A brief informative packet is available for project vendors from Tech Support Ron Zimmerman.
