Narrative
We are seeking quotes for connector components for existing routers and switches. See the attached RFP document for details. In addition, we seek to renew the license for existing WAPs and the firewall for a 1-year term. See the attached RFP document for details. The renewal licenses are listed under both Internal Connections and BMIC as it is unclear which service type these may fall under. All hardware/components quoted must be compatible with existing infrastructure. Hardware quoted must be new with the manufacturers warranty (minimum of three years). Quotes for used equipment will not be considered. Installation costs must be listed separately from hardware costs.

Proposals from vendors on Red Light Status with the FCC or delinquent on a debt to a state or federal governmental agency or entity will be disqualified.
Previous experience with vendor preferred.
SPAM and/or robotic responses will not be considered valid bid responses and will be disqualified from consideration.
The deadline for vendor proposals is 9:00 am Eastern, 29 days from the date this Form 470 is posted. We reserve the right to reject late-submitted proposals.
All questions and quotes are to be emailed to Lorrie Germann at lorrie.germann@gmail.com

I acknowledge that I may be audited pursuant to participation in the schools and libraries program.

I certify that I have reviewed all applicable FCC, state, and local procurement/competitive bidding requirements and that I have complied with them.
