

ADDENDUM #2

DATE: August 5, 2026
APPLICANT: Shaker Heights City School District
TO: All Prospective Offerors
REFERENCE: Form 470 #270000002
FOR: Internal Connections - Woodbury
CLOSING DATE/TIME: September 7, 2026

CLARIFICATIONS

The following are responses to questions received via e-mail during the scheduled inquiry period.

Q1. I was reviewing your 470 and I see that Shaker Heights originally had some Cisco devices in your environment, but in 2024 & 2026 it looks like you started to refresh your school district's network building by building with HPE/Aruba switching and wireless. I see that this 470 is intended for the Woodbury Middle Year's building. Since you're in the middle of a network refresh district wide, and have been working with HPE/Aruba, would it be out of scope to have an overview of Extreme Switching, Wireless, Cloud & 3rd party management with you and the Shaker Heights team?

A1. Per E-Rate competitive bidding rules, the district is open to all proposed solutions so long as they are the equivalent of the items requested on the FCC Form 470 and the attached pricing sheet. Vendors may propose whatever equipment they believe meets those criteria, regardless of make. The district is not, however, having separate meetings with vendors for the purposes of overviews or presentations.

All other specifications, terms, and conditions remain unchanged.
