State and Local Procurement Restrictions

* THIS PROCUREMENT IS NOT A FORMAL SEALED BID/RFP PROCESS. Any quote/proposal submitted that does not specifically address the services requested, is generic in nature or otherwise does not meet the requirements contained in this Form 470 and associated specifications may be considered non-responsive and may be disqualified. All original contracts offered should include specifications that allow for annual one year extensions and/or month to month extensions at the discretion of the applicant; not to exceed a total of 60 months. Please quote all eligible and ineligible products/services separately. Any pricing proposed must comply with the FCC Lowest Corresponding Price Rule as required by the Universal Service First Report and Order, and restated in the FCC E-Rate Modernization Report and Order, adopted July 11, 2014. The FCC Lowest Corresponding Price rule prohibits an E-rate services offeror from offering or charging E-rate applicants a price higher than the lowest price that the offeror charges to nonresidential customers who are similarly situated to a particular school, library, rural health care provider or consortium that purchase directly from the offeror. If Full E-Rate funding is not available for any reason, the District reserves the right to defer or cancel any agreements entered into at the Districts discretion.
