Lodi Unified School District is seeking a 3-year contract for Internet Access from a Tier 1 or 2 ISP provider at our District Office, 1305 E Vine Street, Lodi, CA 95240. ISP shall have the ability to support all existing services 24x7 and provide a full class of "C" IP range serviced by a 10 Gbps fiber optic port with a 10 Gbps Committed Information Rate (CIR) minimum with pricing in 5 Gbps increments up to 20 Gbps.

- All proposals and/or information requests should reference the Form 470 number and should be submitted via email to the Technical Contact listed on this Form 470.
- Any contract or legally binding agreement resulting from this Form 470 must afford the right to increase bandwidth increases must be referenced in the proposal.
- All proposals should identify the specific services that pertain to the services listed on the Form 470. Proposals that include and encyclopedic list of all a service providers products and services, and do not identify the specific services being proposed in response to this Form 470 may be disqualified.
- At the time of proposal submission, all service providers should have a valid Service Provider Identification Number (SPIN), or be able to provide documentation showing that they have begun the process of obtaining a SPIN from USAC. Lacking a valid SPIN, or documentation showing that the process of obtaining one has begun, at the time of submission may result in disqualification.
- As required by Erate rules, all proposals submitted in response to this Form 470 must offer the Lowest Corresponding Price, LCP. See USAC's website at: https://www.usac.org/e-rate/service-providers/step-2-responding-to-bids/lowest-corresponding-price/ for additional information.
- Any offering of free services must be clearly identified in service providers' proposals and must be compliant with USAC's Free Services Advisory.
