Applicant may consider multi-year contracts with voluntary extensions. Any voluntary contract extension must be identified within the awarded contract and must be of a specified number and duration; contracts with automatic or evergreen extension terms will not be considered. Applicant may consider contracts with flexible terms to allow sites to be added, removed, or relocated during the term without penalty and at the contracted per-site rate. All contractor and subcontractor personnel working at District facilities must obtain Pennsylvania Act 34, Act 151, and Act 114 clearances before on-site work begins. Applicant is exempt from Pennsylvania Sales and Use Tax, and all applicable taxes, fees, and surcharges must be disclosed in the proposal. Proposals are subject to the Pennsylvania Right-to-Know Law; Service Providers must identify any material they deem proprietary and submit a redacted copy. Service Providers submitting proposals in response to this FCC Form 470 must be in compliance with the rules and orders governed by the Federal Communications Commission. Failure to be in compliance and remain in compliance may result in the denial of discount funding, and/or cancellation of funding commitments and/or contracts, and/or could result in civil or criminal prosecution by law enforcement authorities.
