Q&A

- **Will the district consider multiple providers for the WAN service. Meaning if a provider can service 17 of the sites but not all sites would they be considered for the 17 sites?**
 - We will consider all bids; however, preference will be given to sole provider.
- **Could please provide a latitude and longitude for the New Hobbton High School (9-12) 12240 Hobbton Hwy Newton Grove NC 28366 or provide a map with a pin so we can determine the location of the building for the fiber build.**
