State and Local Procurement Restrictions

Service providers must refer to the attached documentation for full details and instructions on how to submit a bid. Subject to contract restrictions, services may be reevaluated for cost-effectiveness anytime during the year. As required by E-rate rules, all bids in response to this Form 470 must offer the Lowest Corresponding Price ("LCP") see [https:// www.usac.org/e-rate/service-providers/step-2-responding-to-bids/lowest-corresponding-price/](https://www.usac.org/e-rate/service-providers/step-2-responding-to-bids/lowest-corresponding-price/). Bidders proposing equipment whose prices may increase depending upon new U.S. government tariffs imposed on foreign imports are encouraged to (a) identify such products in their bids, and (b) propose an acceptable methodology for limiting price adjustments over the life of the contract. Bidders proposing to temporarily loan equipment for product demonstration and/or evaluation purposes are required to clearly state that such loans are of limited duration. Product demos extending beyond thirty (30) days must be explicitly authorized by both parties and provided at a fair market rate. By submitting a bid on the requested services herein, the vendor certifies its proposed services and/or products are in compliance with Part 47 Section 54.9 and 54.10 of the FCC rules which prohibits the sale, provision, maintenance, modification, or other support of equipment or services provided or manufactured by Huawei, ZTE, or any other covered company posing a national security threat to the integrity of communications networks or the communications supply chain. See <https://www.usac.org/about/reports-orders/supply-chain/> for more details.
