3. If terms are agreeable to both Leslie County Schools and the awardee, this contract would be eligible to be extended for another 5 years.
4. Leslie County High School will serve as the central point for the network.
5. Termination and hand-off will be located in the main server room of each building.
6. Any one-time installation costs shall be amortized over the life of the contract and included in the monthly cost.
7. An uptime guarantee of 99% shall be provided on a 24x7 basis average over each seven day period.
