ADDENDUM NO. 1 RFP 26-110 — Cabling Infrastructure E-Rate Funding Year 2027 (YR30) September 30, 2026

This Addendum is issued as part of RFP 26-110 and forms a part of the RFP documents. It modifies the RFP as set out below. All other terms and conditions remain unchanged.

RESPONDERS SHALL ACKNOWLEDGE RECEIPT OF THIS ADDENDUM by signing the acknowledgement on the last page and returning it with their proposal. Failure to acknowledge receipt of an addendum may render a proposal non-responsive.

Proposals remain due December 9, 2026. The question deadline (October 23, 2026) and the date responses are posted (October 28, 2026) are unchanged. This Addendum is posted on the USAC portal and <https://rocklinusd.org/TechnologyRFP>.

This Addendum is complete as issued and will not be amended. Further questions and responses will be issued as separate, numbered addenda. Responders are responsible for checking the USAC portal or District website for each one.

ITEM 1 — Question and Answer — Office Location and Subcontractors

QUESTION RECEIVED

May a Responder satisfy Responder Requirement 7 (office within 50 miles of the District Office) by using a subcontractor whose office is within the 50-mile radius?

ANSWER

As originally written, no — Requirement 7 placed the obligation on the Vendor itself. The District has reconsidered the requirement and is replacing it. The District's actual concern is not the location of an office but the Responder's ability to respond on site promptly during the warranty period. Requirement 7 is therefore DELETED and replaced with a performance requirement, which applies equally to every Responder.

RESPONDER REQUIREMENT 7 — DELETED IN ITS ENTIRETY

Vendor must maintain an office within 50 miles of the Rocklin Unified School District office. The above text is struck and is of no further force or effect.

RESPONDER REQUIREMENT 7 — REPLACED WITH THE FOLLOWING 7.

The Responder shall guarantee on-site response within twenty-four (24) hours for warranty and service calls during the warranty period, and shall identify the office and staff that will provide it. The office may be the Responder's or that of a listed subcontractor. There is no longer any geographic qualification on a Responder or its subcontractors. A Responder relying on a subcontractor to meet this requirement shall list that subcontractor as required by Item 2 below, and shall identify in its proposal the office address and the staff who will provide the response.

ITEM 2 — Designation of Subcontractors — Listing Requirement Added

Because Requirement 7 as replaced refers to a "listed subcontractor," and because the Public Works Contractor Registration Certification in the RFP already requires a registration number for each listed subcontractor, the following is ADDED to the Responder Service Provider Requirements:

Designation of Subcontractors. Each Responder shall submit with its proposal a list of every subcontractor it proposes to use, giving for each: the subcontractor's legal name; the office address from which the work will be performed; the portion of the work to be performed; the California contractor's license number and classification; and the Department of Industrial Relations registration number required by Labor Code sections 1725.5 and 1771.1. A subcontractor relied upon to satisfy Requirement 7 shall be identified as such. A Responder proposing no subcontractors shall so state in writing.

This list may be provided on the Responder's own letterhead. No District form is prescribed. Substitution of a listed subcontractor after award requires the written consent of the District.

All other terms, conditions, dates and requirements of RFP 26-110 remain unchanged and in full force. Questions regarding this Addendum follow the same process and deadline as the RFP: in writing to ts.rfp@rocklinusd.org on or before October 23, 2026 at 3:00 p.m.

END OF ADDENDUM NO. 1

ACKNOWLEDGEMENT OF RECEIPT — RETURN WITH PROPOSAL

The undersigned acknowledges receipt of Addendum No. 1 to RFP 26-110 and confirms that its proposal incorporates the modifications set out above.
