ADDENDUM NO. 3 RFP 26-110 — Cabling Infrastructure E-Rate Funding Year 2027 (YR30) October 1, 2026

This Addendum is issued as part of RFP 26-110 and forms a part of the RFP documents. It modifies the RFP as set out below. All other terms and conditions remain unchanged.

RESPONDERS SHALL ACKNOWLEDGE RECEIPT OF THIS ADDENDUM by signing the acknowledgement on the last page and returning it with their proposal. Failure to acknowledge receipt of an addendum may render a proposal non-responsive.

Proposals remain due December 9, 2026. The question deadline (October 23, 2026) and the date responses are posted (October 28, 2026) are unchanged. This Addendum is posted on the USAC portal and <https://rocklinusd.org/TechnologyRFP>.

This Addendum is complete as issued and will not be amended. Further questions and responses will be issued as separate, numbered addenda. Responders are responsible for checking the USAC portal or District website for each one.

ITEM 1 — Questions — Rolling Responses on a Weekly Schedule

The Questions section of the RFP provides a single date — October 28, 2026 — on which all responses are posted. That date falls eighteen (18) days after the mandatory project walk of October 10, 2026. The District does not intend for any Responder to attend the mandatory walk carrying an unanswered question, and does not intend to hold a response that is ready simply because a calendar date has not arrived.

The Questions section is therefore SUPPLEMENTED as set out below. The October 23, 2026 question deadline and the October 28, 2026 response date are NOT changed. Nothing in this Item shortens any period allowed to a Responder.

ADDED TO THE QUESTIONS SECTION

Rolling Responses. In addition to the response date stated above, the District will answer questions on a rolling basis. In any week in which one or more questions are received, the District will issue a numbered addendum setting out those questions and the District's responses, posted on the

USAC.org portal and <https://rocklinusd.org/TechnologyRFP> at or before 3:00 p.m. on the following Wednesday. The first such addendum, if any, will issue on Wednesday, September 30, 2026. In a week in which no questions are received, no addendum will be issued and none should be expected.

Questions bearing on the mandatory project walk. Any question received on or before Wednesday, October 7, 2026 at 3:00 p.m. will be answered in an addendum posted no later than Friday, October 9, 2026 at 3:00 p.m. — the day before the mandatory project walk.

Final responses. Every question received on or before the October 23, 2026 question deadline will be answered no later than 3:00 p.m. on October 28, 2026, whether or not it was answered earlier in a rolling addendum. That date is a guaranteed backstop and is unchanged.

Last addendum. No addendum will be issued after December 2, 2026, which is five (5) business days before the proposal due date. Should the District determine after that date that a material change to the RFP is necessary, it will extend the proposal due date rather than issue a late addendum.

Distribution. Posting to USAC.org portal and <https://rocklinusd.org/TechnologyRFP> is the official notice of every addendum. As a courtesy, the District will also email each addendum to every person who has submitted a question, signed in at the mandatory project walk, or requested the RFP documents in writing. The courtesy email is not notice. Failure to receive it does not excuse a Responder from any addendum, and it remains the Responder's responsibility to check the District website.

Every question received is answered to every Responder in a published addendum. No Responder receives a response privately, and no response is given by telephone or in conversation at the project walk. A Responder that believes it has received information not published to all Responders shall notify the District in writing at ts.rfp@rocklinusd.org.

All other terms, conditions, dates and requirements of RFP 26-110, and all items of Addendum No. 1 and Addendum No. 2, remain unchanged and in full force. Questions regarding this Addendum follow the same process and deadline as the RFP: in writing to ts.rfp@rocklinusd.org on or before October 23, 2026 at 3:00 p.m.

END OF ADDENDUM NO. 3

ACKNOWLEDGEMENT OF RECEIPT — RETURN WITH PROPOSAL

The undersigned acknowledges receipt of Addendum No. 3 to RFP 26-110 and confirms that its proposal incorporates the modifications set out above.
