ADDENDUM NO. 4 RFP 26-110 — Cabling Infrastructure E-Rate Funding Year 2027 (YR30) October 7, 2026

This Addendum is issued as part of RFP 26-110 and forms a part of the RFP documents. It modifies the RFP as set out below. All other terms and conditions remain unchanged.

RESPONDERS SHALL ACKNOWLEDGE RECEIPT OF THIS ADDENDUM by signing the acknowledgement on the last page and returning it with their proposal. Failure to acknowledge receipt of an addendum may render a proposal non-responsive.

Proposals remain due December 9, 2026. The question deadline (October 23, 2026) and the date responses are posted (October 28, 2026) are unchanged. This Addendum is posted on the USAC portal and <https://rocklinusd.org/TechnologyRFP>.

This Addendum is complete as issued and will not be amended. Further questions and responses will be issued as separate, numbered addenda. Responders are responsible for checking the USAC portal or District website for each one.

ITEM 1 — Question and Answer — Office Location and Subcontractors

QUESTION RECEIVED

The District will not provide cable footage counts, material counts, or quantity takeoffs. Each Responder is solely responsible for performing its own due diligence — including attendance at the mandatory project walk — to determine all cable lengths, cable and material quantities, pathway requirements, and labor necessary to deliver a complete and certified installation at each site.

If each contractor has to come up with his own counts how will you chose a winner? 1 contractor may bid 1000 drops and 1 may bid 900 drops... how is that a apples for apples bid?

ANSWER

The estimate is on the length of cabling runs. The number of drops per room is stated in the appendixes. We will entertain all bidders and compare responses to the request posted in the USAC portal.

All other terms, conditions, dates and requirements of RFP 26-110 remain unchanged and in full force. Questions regarding this Addendum follow the same process and deadline as the RFP: in writing to ts.rfp@rocklinusd.org on or before October 23, 2026 at 3:00 p.m.

END OF ADDENDUM NO. 4
