The San Francisco Unified School District (SFUSD) Department of Technology invites interested qualified vendors to submit proposals for the **2027–2028 E-Rate Eligible Core Network Upgrade and Wireless Local Area Network (WLAN) Infrastructure Equipment Upgrade projects**. Bidders must submit proposals to furnish hardware and related equipment strictly in accordance with the specifications, guidelines, and criteria set forth in the RFP documents. Proposals that fail to adhere to the required format or submission standards may be deemed non-responsive and subject to rejection.

RFP procurement packages will be accessible on the Universal Service Administrative Company (USAC) website and the official SFUSD contracting portal starting **Wednesday, October 14, 2026**:

<https://www.sfusd.edu/business-with-sfusd/current-rfps-rfqs-rfos-rfis>

On the SFUSD portal, refer to **E-Rate Eligible Core Network Upgrade (RFP Project No. 12632)** and **E-Rate Eligible Wireless Local Area Network (WLAN) Infrastructure Equipment Upgrade (RFP Project No. 12633)**.

All participating vendors must possess a valid Service Provider Identification Number (SPIN) issued by USAC. Vendors may obtain or verify a SPIN by visiting:

<https://www.usac.org/e-rate/service-providers/step-1-obtain-a-spin/>

Proposals must be submitted electronically via email to HilarioR@sfusd.edu by November 11, 2026, at 5 pm (PST) in accordance with the instructions in the RFP package. SFUSD assumes no responsibility for technical difficulties or delayed transmissions. Proposals received after the official deadline will not be considered. The District reserves the right to reject any and all proposals.
