Narrative

IMPORTANT INFORMATION: Form 470 figures are estimates. Somonauk School District 432 is seeking proposals for the following service:

- +/-1 Gbps Data Transmission Service from Somonauk Community High School, located at 501 W. LaSalle Street, Somonauk, IL 60552, to the regional network where internet access service is billed separately. Include any special construction one-time costs, as applicable. Vendors must also provide separate pricing for an optional upgrade to 1.5 Gbps should the District determine that additional bandwidth is necessary.

The District currently receives fiber-optic data transport services through the DeKalb Advancement Technology Authority (DATA), under an agreement scheduled to expire June 30, 2027. Vendors must provide separate pricing for both 1 Gbps and 1.5 Gbps services for each of the following initial contract terms:

- One-year (12-month) agreement
- Three-year (36-month) agreement
- Five-year (60-month) agreement

Voluntary Contract Extension Options

In addition to the initial contract terms, vendors must provide separate pricing for the following voluntary extension options:

- Three-year (36-month) voluntary extension option
- Five- year (60-month) voluntary extension option

All proposals must include pricing for both bandwidth options, all three initial contract terms, and both voluntary extension options. Vendors must clearly identify the monthly recurring charges (MRCs), nonrecurring charges (NRCs), and any applicable price increases or adjustments associated with each initial term and extension period.

The District reserves the right, at its sole discretion, to exercise or decline any voluntary extension option, subject to the terms of the resulting agreement. The inclusion of voluntary extension options does not obligate the District to extend the contract beyond the initial term.

Note: Any e-rate ineligible products, services or components bundled with eligible products or services must be listed separately from the eligible products or services; failure to do so can lead to rejection of the bid/quote. Vendor must provide eligibility percentage of portions of plans that are deemed ineligible.
