Narrative
Requests bids to provide and install 10 managed 48 port network switches, 5 managed 48 port Power over Ethernet (PoE) switches, 55 WiFi 7 wireless access points. All network cabling has already been run. The bid must include connecting every switch to the network by fiber, installing the access points at the existing cable locations, configuring the equipment, and testing the completed system. New cable runs are not part of this request. Required equipment 10 Standard network switches with 48 RJ45 ports supporting 1 Gbps; at least four 10 Gbps SFP+ uplink ports 5 PoE network switch with 48 RJ45 ports supporting 1 Gbps and 2.5 Gbps; at least eight ports also supporting 5 Gbps; at least four 10 Gbps SFP+ uplink ports 55 Wireless access points with WiFi 7 supporting 2.4 GHz, 5 GHz, and 6 GHz operation; compatible with the proposed PoE switches All 5 PoE switches must support IEEE 802.3at PoE+ on all 48 RJ45 ports. At least eight ports per switch must support IEEE 802.3bt with 60 watts available per port. Each PoE switch must have an available power budget of at least 1,100 watts. Bidders must state the total PoE budget and any limits on simultaneous port power use. All switches must be rack mountable and may include mounting hardware (If item is not compatible). Switches must support VLANs, link aggregation, spanning tree, 802.1X authentication, and secure remote management. Installation and fiber connections The bid must include all compatible fiber transceivers and patch cords needed to connect each of the 15 switches to the existing fiber network. The bidder must verify the existing fiber type, connector type, available strands, and connection points, and identify any assumptions or incompatibilities in the bid.

Installation must include mounting and connecting the switches and access points; configuring switch uplinks, PoE, and wireless settings in coordination with the organization; and testing fiber connections, access point operation, and network connectivity. The bidder must provide the organization with the final configuration information and test results.

Bid response requirements

Provide technical data sheets, warranty terms, estimated delivery and installation schedules. Identify all required licenses or subscriptions and explain how the proposed switches will supply the Ethernet speed and PoE power needed for the 55 access points.

Provide separate pricing for the standard switches, PoE switches, access points, fiber transceivers and patch cords, installation, shipping, and required licenses or subscriptions. Include a five year total cost showing any recurring fees. State any exceptions to these requirements. Current system is Cisco C9200 and Meraki MR46. We are open to new systems. We prefer a system that has a Graphic user interface for the switches.

We also would like to use the following cords/connections if allowed:

Certifications

I certify that the applicant includes:

I certify that the applicant includes schools under the statutory definitions of elementary and secondary schools found in the No Child Left Behind Act of 2001, 20 U.S.C. §§ 7801 (18) and (38), that do not operate as for-profit businesses, and do not have endowments exceeding \$50 million.

Other Certifications

I certify that this FCC Form 470 and any applicable RFP will be available for review by potential bidders for at least 28 days before considering all bids received and selecting a service provider. I certify that all bids submitted will be carefully considered and the bid selected will be for the most cost-effective service or equipment offering, with price being the primary factor, and will be the most cost-effective means of meeting educational needs and technology goals.

I certify that I will retain required documents for a period of at least 10 years (or whatever retention period is required by the rules in effect at the time of this certification) after the later of the last day of the applicable funding year or the service delivery deadline for the associated funding request. I certify that I will retain all documents necessary to demonstrate compliance with the statute and Commission rules regarding the form for, receipt of, and delivery of services receiving schools and libraries discounts. I acknowledge that I may be audited pursuant to participation in the schools and libraries program.

I certify that I have reviewed all applicable FCC, state, and local procurement/competitive bidding requirements and that I have complied with them. I acknowledge that persons willfully making false statements on this form may be punished by fine or forfeiture, under the Communications Act, 47 U.S.C. §§ 502, 503(b), or fine or imprisonment under Title 18 of the United States Code, 18 U.S.C. § 1001.

I acknowledge that FCC rules provide that persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the schools and libraries support mechanism are subject to suspension and debarment from the program.

I certify that the services the applicant purchases at discounts provided by 47 U.S.C. § 254 will be used primarily for educational purposes, see 47 C.F.R. § 54.500, and will not be sold, resold or transferred in consideration for money or any other thing of value, except as permitted by the Commission's rules at 47 C.F.R. § 54.513. Additionally, I certify that the entity or entities listed on this form have not received anything of value or a promise of anything of value, other than services and equipment sought by means of this form, from the service provider, or any representative or agent thereof or any consultant in connection with this request for services.

I acknowledge that support under this support mechanism is conditional upon the school(s) and/or library(ies) I represent securing access, separately or through this program, to all of the resources, including computers, training, software, internal connections, maintenance, and electrical capacity necessary to use the services purchased effectively. I recognize that some of the aforementioned resources are not eligible for support. I certify that I have considered what financial resources should be available to cover these costs. I certify that I am authorized to procure eligible services for the eligible entity(ies). I certify that I am authorized to submit this

request on behalf of the eligible entity(ies) listed on this form, that I have examined this request, and to the best of my knowledge, information, and belief, all statements of fact contained herein are true.

NOTICE:

In accordance with Section 54.503 of the Federal Communications Commission's ("Commission") rules, certain schools and libraries ordering services that are eligible for and seeking universal service discounts must file this Description of Services Requested and Certification Form (FCC Form 470) with the Universal Service Administrator. 47 C.F.R. § 54.503. The collection of information stems from the Commission's authority under Section 254 of the Communications Act of 1934, as amended. 47 U.S.C. § 254. The data in the report will be used to ensure that schools and libraries comply with the competitive bidding requirement contained in 47 C.F.R. § 54.503. Schools and libraries must file this form themselves or as part of a consortium.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The FCC is authorized under the Communications Act of 1934, as amended, to collect the information requested in this form. We will use the information you provide to determine whether you have complied with the competitive bidding requirements applicable to requests for universal service discounts. If we believe there may be a violation or a potential violation of any applicable statute, regulation, rule or order, the information you provide in this form may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing, or implementing the statute, rule, regulation or order. In certain cases, the information you provide in this form may be disclosed to the Department of Justice or a court or adjudicative body when (a) the FCC; or (b) any employee of the FCC; or (c) the United States Government is a party of a proceeding before the body or has an interest in the proceeding. In addition, information provided in or submitted with this form, or in response to subsequent inquiries, may also be subject to disclosure consistent with the Communications Act of 1934, FCC regulations, the Freedom of Information Act, 5 U.S.C. § 552, or other applicable law.

If you owe a past due debt to the federal government, the information you provide in this form may also be disclosed to the Department of the Treasury Financial Management Service, other Federal agencies and/or your employer to offset your salary, IRS tax refund or other payments to collect that debt. The FCC may also provide the information to these agencies through the matching of computer records when authorized.

If you do not provide the information we request on the form, the FCC or Universal Service Administrator may return your form without action or deny a related request for universal service discounts.

The foregoing Notice is required by the Paperwork Reduction Act of 1995, Pub. L. No. 104-13, 44 U.S.C. § 3501, et seq.

Public reporting burden for this collection of information is estimated to average 3.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing, and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the reporting burden to the Federal Communications Commission, Performance Evaluation and Records Management, Washington, DC 20554. We also will accept your comments via the email if you send them to PRA@FCC.gov. DO NOT SEND COMPLETED WORKSHEETS TO THESE ADDRESSES.
