ADDENDUM #1

RE: RFP C-28005 WAN FIBER SERVICES- CITY

Bidders shall note the following changes to the above Request for Proposal. Bidders shall sign this addendum and attach it with their bid.

Responses to questions:

1. We are interested to bid on the subject mentioned solicitation. Could you please share us the complete documents Along with URL for "C-28005 - WAN FIBER SERVICES - CITY". So that we can bid on this solicitation on time.
 - a. On the USAC website you need to search for the Form 470/RFP
<https://opendata.usac.org/stories/s/ejcg-sjaz>
Our Billed Entity Number is 137336
OR
Online planroom: <https://www.cpsk12bids.com/>
2. Your September 30 request for internet access opens for signing on October 28.

About one in eight requests like this one in Missouri draw a single bid or none at all. Less competition sounds fine until someone asks you to show the price was fair.

Is the request still open? Happy to point one more company at it before you go to signing, one that's already done this work for schools in Missouri.

- a. RFP Bid Due Date and Time: 2:00 P.M., Monday, November 16, 2026
