Direct all questions regarding the USF requirements in this RFB to the Universal Service Administrative Company (USAC), Schools and Library Division (SLD) at (888) 203-8100.
- B. FY2027 FUNDING REQUESTS: The specified products and/or services are to be provided for FY2027 (July 1, 2027-June 30, 2028) and must qualify for universal service discounts under the FY2027 universal service support mechanism, E-Rate. The E-rate Modernization Order permits applicants to seek support for Category 2 eligible non-recurring services purchased on or after April 1, three months prior to the start of the funding year on July 1. No invoices to USAC/SLD will be DATED before April 1, 2027, or PAID by USAC before July 1, 2027.
- C. UNIVERSAL SERVICE DISCOUNTS: The service provider contract is conditional upon the Owner receiving universal service discounts under the FY2027 universal service support mechanism, E-Rate. The Owner reserves the unrestricted right to reduce the contract amount by reducing the amount of services and/or products in order to meet budget requirements in the event the level of the universal service discounts is reduced. Any such reductions to the contract amount will be taken prior to the start of the specific work being reduced or eliminated on a given building and/or Project.
- D. UNIVERSAL SERVICE DISCOUNT IMPLEMENTATION: The Owner reserves the unrestricted right to specify the filing option for the universal service discounts for each product and/or service offered within a Bid: Billed Entity Applicant Reimbursement (BEAR) or Service Provider Invoice (SPI).

If the Owner receives less than the full E-Rate Funding for which it applies, the Owner has the unrestricted right to reduce the number of units and services in the accepted Bid. In the event that E-Rate Funding is not available for the accepted Bid, Owner, in its discretion, may cancel and/or modify the Scope of Work (SOW) and subsequent purchases requested in this RFB.
- G. LOWEST CORRESPONDING PRICE: Lowest Corresponding Price (LCP) is defined as the lowest price that a service provider charges to non-residential customers who are similarly situated to a particular E-rate applicant for similar services. Service Providers cannot charge E-rate applicants a price above the Lowest Corresponding Price (LCP) and must actually charge the rate that is the LCP, not just offer the LCP in the Bid. In addition, promotional rates offered by a Service Provider for a period of more than 90 days must be included among the comparable rates upon which the LCP is determined.
