Narrative
Robo Bids: Due to the complexity and specific nature of the services requested, we require that all bids be submitted manually by an authorized Service Provider representative, including the necessary documentation, pricing, and terms. Bids submitted through automated systems without a tailored manual response will not be accepted. All Service Providers must ensure that their proposals accurately reflect a full understanding of the RFP requirements. Service providers are asked to submit bids on the method(s) they can provide, specifically;

 5. Future Additions: firm unit pricing for connecting new District sites and for additional fiber pulls, strands, and relocations during the contract term. See FUTURE ADDITIONS: NEW SITES AND ADDITIONAL FIBER PULLS in Section 5. All bids must be submitted by email to Jill Stone no later than 12:00 PM PST on November 12, 2026.
