AMENDMENT 1 – ISSUED November 2, 2026
TO THE
DIXON UNIFIED SCHOOL DISTRICT
REQUEST FOR PROPOSAL
FOR
Local Area Network Equipment to be
Funded by E-Rate Year 30 (2027-2028)
Released October 12, 2026

The purpose of this Amendment is to provide clarification to the Request for Proposal for Local Area Network Equipment.

Pursuant to the RFP, Dixon Unified School District has amended Sections 3.3 "DISTRICT SPECIFIC REQUIREMENTS" to modify switch quantities. Further, due to the change in switch quantities section 5.0 "RFP TERMS" changes the RFP response date to re-start the twenty-eight-day waiting period to allow prospective vendors to submit proposals. Modifications highlighted in red.

3.3 DISTRICT REQUIREMENTS

- Network Switches
  - Ruckus ICX 8200-24P
    - Qty - 0
  - Ruckus ICX 8200-48P
    - Qty - 25
- Installation and configuration
  - District to provide switch configuration information.

5.0 RFP TERMS

The District requires RFP submittals no later than 5:00pm, Friday, December 4, 2026. Proposals must be valid through the E-Rate Funding Year 2027-2028.

District requests email responses to this RFP.
Email responses to: rich@aagjconsulting.com

No hard copy response is required.
Received response's will be opened and read by the District's evaluation team, privately, following the close of the submission window.

All other terms and conditions and/or requirements in the RFP remain unchanged. Prospective service shall complete the attached amendment acknowledgement letter and include the amendment acknowledgement letter and include the amendment acknowledgement letter in their RFP response.
