Narrative

Seeking bids at multiple bandwidth levels for bundled Internet Access and transport from 50 Mbps to 5 Gbps, where available. Both fiber and non-fiber solutions will be considered. The minimum capacity of 50 Mbps and maximum capacity of 5 Gbps refer to download speeds only. Both symmetrical and asymmetrical Internet services are acceptable. Bidders must specify the download and upload speeds for each proposed bandwidth option.
Bids must clearly identify:
- Bandwidth level(s) offered.
- Method of transport/delivery (fiber, copper, satellite, microwave, or other technology).
- Both last-mile and middle-mile transport methods if they differ.
- Contention ratio, if applicable, or indicate that the circuit is dedicated.
- Any data limits, overage charges, or usage restrictions.
- Any leased equipment required to provide the requested service, including make and model.

Pricing Requirements
Bids must include all applicable fees and charges associated with the proposed service. Pricing must clearly identify and separately itemize, as applicable:
- Monthly recurring charges.
- One-time/non-recurring charges.
- Installation and activation charges. The proposed installation plan, including equipment placement, cabling, installation methods, and scheduling, must be reviewed and approved by the library's authorized representative prior to commencement of any installation work.
- Equipment or rental charges.
- Surcharges and other applicable fees or charges.
- Data overage or other usage-based charges.

Bids must provide sufficient information for the applicant to determine the total cost of the proposed service.
One-year and multi-year pricing will be considered; however, a one-year pricing option must be provided. Month-to-month/ noncontracted
service proposals will also be considered.
Any resulting agreement should be contingent upon the availability of state and/or federal funding and the library's ability to pay.
Bid Requirements and Disqualifying Factors
To be considered responsive:
- The bid must specifically address the services and requirements identified in this FCC Form 470.
- The bid must reference this specific FCC Form 470.
- The bid must provide a proposed solution responsive to the applicant's specific service requirements.
- The bidder must provide complete pricing, including all applicable fees and charges.
- The bidder must have a valid SPIN/498 ID.
- The bidder must provide discounted billing and invoice USAC using the Service Provider Invoice (SPI) method.
- The bid must be received no later than 28 calendar days after the FCC Form 470 is posted.

Generic advertisements, flyers, marketing materials, mass-distributed solicitations, generic price lists, SPAM/roboids, automated responses, or other responses that do not specifically address this FCC Form 470 and the applicant's requested services will be considered non-responsive and will be disqualified from consideration.

Bids that do not provide complete pricing, including all applicable fees and charges, or that require the applicant to contact the bidder to obtain basic pricing information or determine what service is being proposed will be considered non-responsive and will be disqualified from consideration.
Bids received after the stated 28-calendar-day deadline will be disqualified from consideration.

Narrative

Library requests bids for equipment, services, and licensing for Managed Internal Broadband Services (MIBS) to support management of the library's broadband network.
Requested functionality includes:
- Ability to establish bandwidth quotas for individual devices/users.
- Ability to monitor and track broadband usage for the entire network and individual devices/users.
- Ability to prioritize, limit, or block broadband access for individual devices.
- Content filtering and malware-blocking functionality. Any ineligible content-filtering or other ineligible functionality must be separately identified and priced.
- Equipment, software, and licensing necessary to provide the proposed MIBS solution.
- For all proposed equipment, bids must provide the manufacturer, model, and SKU/part number, as applicable.

Pricing Requirements
Bids must include all applicable fees and charges associated with the proposed solution, including:
- Equipment costs.
- Licensing/subscription costs.
- Monthly recurring charges.
- One-time/non-recurring charges.
- Installation, configuration, and activation charges. The proposed installation plan, including equipment placement, cabling, installation methods, and scheduling, must be reviewed and approved by the library's authorized representative prior to commencement of any installation work.
- Equipment rental or other applicable charges.
- Any other fees or charges necessary to implement and operate the proposed solution.

The cost of E-Rate-eligible services/equipment must be separated from the cost of ineligible services/equipment. If licensing is separately priced and is necessary for the operation of the proposed equipment or service, the licensing and associated cost must be clearly identified in the bid.
Bids must provide sufficient information for the applicant to determine the total cost of the proposed solution.
One-year and multi-year pricing may be submitted; however, a one-year pricing option is required.
Vendors may bid on Category 1 and/or Category 2 MIBS services/equipment. If a vendor proposes both Category 1 Internet service and associated Category 2 MIBS, the bid must clearly identify whether the Category 2 service/equipment is required as a condition of obtaining the proposed Category 1 service. Category 1 and Category 2 costs must be separately identified.
Bid Requirements and Disqualifying Factors

To be considered responsive:
- The bid must specifically address the services and requirements identified in this FCC Form 470.
- The bid must reference this specific FCC Form 470 and provide a proposed solution responsive to the applicant's specific requirements.
- For all proposed equipment, the bid must identify the manufacturer, model, and SKU/part number, as applicable.
- The bid must include complete pricing, including all applicable fees and charges.
- Eligible and ineligible costs must be separately identified.
- The bidder must have a valid SPIN/498 ID.
- The bidder must be willing to provide discounted billing and invoice USAC using the Service Provider Invoice (SPI) method.
- The bid must be received no later than 28 calendar days after the FCC Form 470 is posted.

Generic advertisements, flyers, marketing materials, mass-distributed solicitations, generic price lists, SPAM/roboids, automated responses, or other responses that do not specifically address this FCC Form 470 and the applicant's requested services will be considered non-responsive and will be disqualified from consideration.

Bids that do not provide the required manufacturer/model/SKU information, complete pricing, or all applicable fees and charges, or that require the applicant to contact the bidder to obtain basic pricing or determine what equipment/service is being proposed will be considered non-responsive and will be disqualified from consideration.

Bids received after the stated 28-calendar-day deadline will be disqualified from consideration.

Certifications

I certify that the applicant includes:

I certify that the applicant includes libraries or library consortia eligible for assistance from a State library administrative agency under the Library Services and Technology Act of 1996 that do not operate as for-profit businesses and, except for the limited case of Tribal colleges or universities, have budgets that are completely separate from any schools (including, but not limited to elementary and secondary schools, colleges, and universities).

Other Certifications

I certify that this FCC Form 470 and any applicable RFP will be available for review by potential bidders for at least 28 days before considering all bids received and selecting a service provider. I certify that all bids submitted will be carefully considered and the bid selected will be for the most cost-effective service or equipment offering, with price being the primary factor, and will be the most cost-effective means of meeting educational needs and technology goals.

I certify that I will retain required documents for a period of at least 10 years (or whatever retention period is required by the rules in effect at the time of this certification) after the later of the last day of the applicable funding year or the service delivery deadline for the associated funding request. I certify that I will retain all documents necessary to demonstrate compliance with the statute and Commission rules regarding the form for, receipt of, and delivery of services receiving schools and libraries discounts. I acknowledge that I may be audited pursuant to participation in the schools and libraries program.

I certify that I have reviewed all applicable FCC, state, and local procurement/competitive bidding requirements and that I have complied with them. I acknowledge that persons willfully making false statements on this form may be punished by fine or forfeiture, under the Communications Act, 47 U.S.C. §§ 502, 503(b), or fine or imprisonment under Title 18 of the United States Code, 18 U.S.C. § 1001.

I acknowledge that FCC rules provide that persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the schools and libraries support mechanism are subject to suspension and debarment from the program.

I certify that the services the applicant purchases at discounts provided by 47 U.S.C. § 254 will be used primarily for educational purposes, see 47 C.F.R. § 54.500, and will not be sold, resold or transferred in consideration for money or any other thing of value, except as permitted by the Commission's rules at 47 C.F.R. § 54.513. Additionally, I certify that the entity or entities listed on this form have not received anything of value or a promise of anything of value, other than services and equipment sought by means of this form, from the service provider, or any representative or agent thereof or any consultant in connection with this request for services.

I acknowledge that support under this support mechanism is conditional upon the school(s) and/or library(ies) I represent securing access, separately or through this program, to all of the resources, including computers, training, software, internal connections, maintenance, and electrical capacity necessary to use the services purchased effectively. I recognize that some of the aforementioned resources are not eligible for support. I certify that I have considered what financial resources should be available to cover these costs. I certify that I am authorized to procure eligible services for the eligible entity(ies). I certify that I am authorized to submit this request on behalf of the eligible entity(ies) listed on this form, that I have examined this request, and to the best of my knowledge, information, and belief, all statements of fact contained herein are true.

NOTICE:

In accordance with Section 54.503 of the Federal Communications Commission's ("Commission") rules, certain schools and libraries ordering services that are eligible for and seeking universal service discounts must file this Description of Services Requested and Certification Form (FCC Form 470) with the Universal Service Administrator. 47 C.F.R. § 54.503. The collection of information stems from the Commission's authority under Section 254 of the Communications Act of 1934, as amended. 47 U.S.C. § 254. The data in the report will be used to ensure that schools and libraries comply with the competitive bidding requirement contained in 47 C.F.R. § 54.503. Schools and libraries must file this form themselves or as part of a consortium.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The FCC is authorized under the Communications Act of 1934, as amended, to collect the information requested in this form. We will use the information you provide to determine whether you have complied with the competitive bidding requirements applicable to requests for universal service discounts. If we believe there may be a violation or a potential violation of any applicable statute, regulation, rule or order, the information you provide in this form may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing, or implementing the statute, rule, regulation or order. In certain cases, the information you provide in this form may be disclosed to the Department of Justice or a court or adjudicative body when (a) the FCC; or (b) any employee of the FCC; or (c) the United States Government is a party of a proceeding before the body or has an interest in the proceeding. In addition, information provided in or submitted with this form, or in response to subsequent inquiries, may also be subject to disclosure consistent with the Communications Act of 1934, FCC regulations, the Freedom of Information Act, 5 U.S.C. § 552, or other applicable law.

If you owe a past due debt to the federal government, the information you provide in this form may also be disclosed to the Department of the Treasury Financial Management Service, other Federal agencies and/or your employer to offset your salary, IRS tax refund or other payments to collect that debt. The FCC may also provide the information to these agencies through the matching of computer records when authorized.

If you do not provide the information we request on the form, the FCC or Universal Service Administrator may return your form without action or deny a related request for universal service discounts.

The foregoing Notice is required by the Paperwork Reduction Act of 1995, Pub. L. No. 104-13, 44 U.S.C. § 3501, et seq.

Public reporting burden for this collection of information is estimated to average 3.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing, and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the reporting burden to the Federal Communications Commission, Performance Evaluation and Records Management, Washington, DC 20554. We also will accept your comments via the email if you send them to PRA@FCC.gov. DO NOT SEND COMPLETED WORKSHEETS TO THESE ADDRESSES.
