State and Local Procurement Restrictions

Lowellville Local School District will follow all applicable Ohio procurement laws, including the Ohio Revised Code provisions that govern school district purchasing, as well as the District's Board of Education purchasing policies. These apply in addition to FCC and USAC E-Rate competitive bidding rules. Where state or local requirements are stricter than federal rules, the stricter requirement applies. If this Form 470 or RFP conflicts with applicable state or local law, that law controls.

The District will hold an open and fair competitive process. It will evaluate all bids received with price of eligible services as the most heavily weighted factor, and will sign a written contract before filing the FCC Form 471. Bidders are responsible for complying with all applicable federal, state, and local requirements.
