Jackson County Public Library
Addendum to Form 470 270002459

RFP Original Issue Date: October 23, 2026
Addendum Issue Date: November 12, 2026

The purpose of this addendum is to communicate to all potential bidders the changes related to the Form 470.

The RFP is revised to request additional switches in order to prepare for WiFi 7 hardware.

The port and POE usage of the current switches to be replaced are shown below:

Switch	Port Usage	POE Usage
Staff 1	26/48	160 watts
Staff 2	22/48	118 watts
Staff 3	20/48	169 watts
Public 1	10/48	25 watts
Public 2	18/48	23 watts
WAP Switch	7 access points	119 watts
(Camera switches are not eligible for E-Rate)	20/48 18/48	305 watts 208 watts

Also, please include active filtering for network traffic as well as active device status tracking and reporting in your proposal.
