I. APPLICABILITY. These General Terms and Conditions apply, but are not limited to, all bids, proposals, qualifications and quotations (hereinafter referred to as "Offers" or "Responses") made to the Denver Public Schools (hereinafter referred to as "District") by all prospective suppliers (hereinafter referred to as "Suppliers") in response, but not limited, to Invitations to Bid, Requests for Proposals, Requests for Qualifications, and Requests for Quotations (hereinafter referred to as "Solicitations").

II. CONTENTS OF OFFER

A. General Conditions. Suppliers are required to submit their Offers in accordance with the following expressed conditions:

1. Suppliers shall make all investigations necessary to thoroughly inform themselves regarding the plant and facilities affected by the delivery of materials and services as required by the conditions of the Solicitation. No plea of ignorance by the Supplier of conditions that exist or that may hereafter exist as a result of failure to fulfill the requirements of the contract documents will be accepted as the basis for varying the requirements of the District or the compensation to the Supplier.
2. Suppliers are advised that all District contracts are subject to all legal requirements contained in the District Board policies, the Purchasing Department's procedures, and state and federal statutes. When conflicts between the Solicitation and these legal documents occur, the highest authority will prevail.
3. Submission of an Offer is deemed as acceptance of all terms, conditions and specifications contained in the District's Solicitations. Any proposed modification must be accepted in writing by the District prior to award of the Contract or Purchase Order.
4. The District reserves the right to reject any and all Offers or any part thereof, to waive any irregularities or informalities, and to award the Solicitation to the Supplier as deemed in the best interest of the District.
5. All Offers and other materials submitted in response to this Solicitation shall become the property of the District.
6. The Supplier certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency. The Supplier shall comply with the regulations found within 45 CFR Part 620, "Government Debarment and Suspension (Non-procurement)."
7. The Supplier is required to carry proper insurance **See Exhibit B**.

B. **Open Records – Disclosure of Information to the District**. The Supplier understands that all material provided or produced by the Supplier in response to this Solicitation may be subject to the Colorado Open Records Act ("CORA"), C.R.S. § 24-72-201, et seq. (2006). In the event of the filing of a lawsuit to compel such disclosure, the District will tender all such material to the court for judicial determination of the issue of disclosure and the Supplier agrees to intervene in such lawsuit to protect and assert its claims of privilege and against disclosure of such material or waive the same. The Supplier further agrees to defend, indemnify and save and hold harmless the District, its officers, agents and employees, from any claims, damages, expenses, losses or costs arising out of the Supplier's intervention to protect and assert its claim of privilege against disclosure under

this Article including, but not limited to, prompt reimbursement to the District of all reasonable attorney fees, costs and damages that the District may incur directly or may be ordered to pay by such court.

C. **Clarification and Modifications in Terms and Conditions**

1. Where there appear to be variances or conflicts between the General Terms and Conditions, the Special Terms and Conditions and the Specifications outlined in this Solicitation, the Specifications then the Special Terms and Conditions will prevail.

2. If any Supplier contemplating submitting an Offer under this Solicitation is in doubt as to the true meaning of the specifications, the Supplier must submit a **written request** (either via email or BidNet as determined on the Question Deadline on the RFP Schedule of Activities on page 1) for clarification to the District's Contact person as stated in the Special Terms and Conditions.

   Any official interpretation of this Solicitation must be made, in writing, by an agent of the District's Purchasing Department who is authorized to act on behalf of the District. The District shall not be responsible for interpretations offered by employees of the District who are not agents of the District's Purchasing Department.

   The District shall issue a written addendum if substantial changes which impact the technical submission of Offers are required. Denver Public Schools utilizes Rocky Mountain E-Purchasing System at https://www.bidnetdirect.com/colorado to distribute official copies of the Solicitations, and any addenda for use in preparing Offers. Suppliers are responsible for checking BidNet to retrieve any addendum (a). Supplier shall certify its acknowledgment of the addendum (a) on the Supplier Acknowledgement Form and return it with its Offer. In the event of conflict with the original contract documents, addenda shall govern all other contract documents to the extent specified. Subsequent addenda shall govern over prior addenda only to the extent specified.

D. **Prices Contained in Offer--Discounts, Taxes, Collusion**

1. Suppliers may offer a cash discount for prompt payment. Discounts will be considered in determining the lowest net cost for the evaluation of Offers; discounts for periods of less than twenty days, however, will not be considered in making the award.

2. Suppliers shall not include federal, state, or local excise or sales taxes in prices offered, as the District is exempt from payment of such taxes.

3. The Supplier, by affixing its signature to this Solicitation, certifies that its Offer is made without previous understanding, agreement, or connection either with any persons, firms or corporations making an Offer for the same items, or with the District. The Supplier also certifies that its Offer is in all respects fair, without outside control, collusion, fraud, or otherwise illegal action. To insure integrity of the District's public procurement process, all Suppliers are hereby placed on notice

that any and all Suppliers who falsify the certifications required in conjunction with this section will be prosecuted to the fullest extent of the law.

III. PREPARATION AND SUBMISSION OF OFFER

A. Preparation

1. The Offer must be typed or legibly printed in ink. All corrections made by the Supplier must be initialed by the authorized agent of the Supplier.

2. Offers must contain a signature of an authorized agent of the Supplier in the space provided on the Solicitation Supplier Acknowledgement Form. **The original acknowledgement form of this Solicitation must be included in all Offers. If the Supplier's authorized agent fails to sign and return the original acknowledgement form of the Solicitation, its Offer shall be invalid and shall not be considered.**

3. Unit prices shall be provided by the Supplier on the Solicitation's Specification and Pricing Form when required in conjunction with the prescribed method of award and **shall be for the unit of measure requested.** Prices that are not in accordance with the measurements and descriptions requested may be considered non-responsive and may not be considered. Where there is a discrepancy between the unit price and the extension of prices, the unit price shall prevail.

4. Alternate Offers will not be considered unless expressly permitted in the Specifications Special Terms and Conditions.

5. The accuracy of the Offer is the sole responsibility of the Supplier. No changes in the Offer shall be allowed after the date and time that the Offers are due.

6. The proposal shall be formatted based on the requirements listed in Section IV and shall be numbered and combined into one single file.

B. Submission

1. **In person submittals will not be accepted.** Proposals must be uploaded and submitted through Rocky Mountain E Purchasing (BidNet) by or before the due date and time. Please ensure that this copy is complete and accurate and includes all proposal content, descriptions and pricing.

2. In the event that there is a CORA request the District asks that each Supplier submit one (1) separate redacted version of their proposal. Be sure to clearly mark each proposal file as "Master" or "Redacted". The District will not be responsible for evaluating the incorrect proposal if they are not clearly labeled.

3. Unless otherwise specified, when a Specification and Pricing form is included as a part of the Solicitation, it must be used when the Supplier is submitting its Offer. The Supplier shall not alter this form (e.g. add or modify categories for posting prices offered) unless expressly permitted in the addendum duly issued by the District. No other form shall be accepted.

4. Offers submitted via facsimile machines or email will not be accepted.

C. Late Offers. Offers received after the date and time set for the opening shall be considered non-responsive.

IV. MODIFICATION OR WITHDRAWAL OF OFFERS

A. BidNet allows users to modify Offers prior to the time and date set for the Offers to be opened.

B. Withdrawal of Offers

1. Offers may be withdrawn prior to the time and date set for the opening. On BidNet, users may withdraw their Offer up until the deadline.

2. In accordance with the Uniform Commercial Code, Offers may not be withdrawn after the time and date set for the opening for a period of ninety calendar days. Such requests must be made in writing on company letterhead. If an Offer is withdrawn by the Supplier during this ninety day period, the District may, at its option, suspend the Supplier from the bid list and may not accept any Offer from the Supplier for a six month period following the withdrawal.

V. REJECTION OF OFFERS

A. Rejection of Offers. The District may, at its sole and absolute discretion:

1. Reject any and all, or parts of any or all, Offers submitted by prospective Suppliers;

2. Re-advertise this Solicitation;

3. Postpone or cancel the process;

4. Waive any irregularities in the Offers received in conjunction with this Solicitation to accept an offer(s) which has additional value or function and/or is determined to be more advantageous to the District; and/or;

5. Determine the criteria and process whereby Offers are evaluated and awarded. No damages shall be recoverable by any Supplier or challenger as a result of these determinations or decisions by the District.

B. Rejection of a Particular Offer. The District may, at its sole and absolute discretion, reject an Offer under any of the following conditions:

1. The Supplier misstates or conceals any material fact in its Offer;

2. The Supplier's Offer does not strictly conform to the law or the requirements of the Solicitation;

3. The Offer expressly requires or implies a conditional award that conflicts with the method of award stipulated in the Solicitation's Special Terms and Conditions;

4. The Offer does not include documents, including, but not limited to, certificates, licenses, and/or samples, which are required for submission with the Offer in conjunction with the Solicitation's Special Terms and Conditions and/or Technical Specifications;

5. The Offer has not been executed by the Supplier through an authorized signature on the Specifications Supplier Acknowledgement.

C. Elimination From Consideration

1. An Offer may not be accepted from, nor any contract be awarded to, any person or firm which is in arrears to the District upon any debt or contract or which is a defaulter as surety or otherwise upon any obligation to the District.

2. An Offer may not be accepted from, nor any contract awarded to, any person or firm which has failed to faithfully perform any previous contract with the District, state or federal government, for a minimum period of three years after this previous contract was terminated for cause.

3. An Offer may not be accepted from, nor any contract awarded to, any person related to any District employee and such a relationship would create a material financial interest or result in the violation of DPS Board Policy GBEA by either Supplier or the District employee.

D. Right to Waive Bids. The District reserves the right to waive any technical or formal errors or omissions and to reject any and all bids, or to award contract for the items hereon, either in part or whole, if it is deemed to be in the best interest of the District to do so.

VI. EVALUATION CRITERIA. Offers received will be evaluated based on the criteria identified in Section IV. These criteria will form the basis for review of the written proposals.

VII. AWARD OF CONTRACT. The District shall award a contract to a Supplier through the issuance of a Contract or Purchase Order. The General Terms and Conditions, the Special Terms and Conditions, any Technical Specifications, the Supplier's Offer, and the Contract or Purchase Order are collectively an integral part of the contract between the Denver Public Schools and the successful Supplier. Accordingly, these documents shall constitute a binding contract without further action by either party.

VIII. APPEAL OF AWARD. Suppliers may appeal by submitting, **in writing**, a detailed request for reconsideration to the District's Director of Purchasing within 72 hours after the recommendation of award is posted on BidNet, provided that the appeal is sought by the Supplier prior to the District finalizing a contract with the selected Supplier.

IX. NEGOTIATIONS. The District reserves the right to conduct negotiations with Suppliers and to accept revisions of proposals. During this negotiation period, the District will not disclose any information derived from proposals submitted, or from discussions with other Suppliers in response to CORA requests. Once an award is made, the solicitation file and the proposals contained therein are in the public record.

X. CONTRACTUAL OBLIGATIONS

A. Local, State and Federal Compliance Requirements. Successful Suppliers shall be familiar and comply with all local, state, and federal directives, ordinances, rules, orders, and laws applicable to, and affected by, this contract including, but not limited to, Equal Employment Opportunity (EEO) regulations, Occupational Safety and Health Act (OSHA), and Title II of the Americans with Disabilities Act (ADA).

B. Disposition. The Supplier shall not assign, transfer, convey, sublet, or otherwise dispose of this contract, including any or all of its right, title or interest therein, or its power to execute such contract to any person, company or corporation, without prior written consent of the District.

C. Employees. All employees of the Supplier shall be considered to be, at all times, employees of the Supplier, under its sole direction, and not an employee or agent of the District.

1. The District may require the Supplier to remove an employee it deems careless, incompetent, insubordinate or otherwise objectionable, and whose continued employment on District property is not in the best interest of the District.

2. The Supplier shall not employ, retain, hire or use any individual that has been convicted of any felony charges as the same is defined under the laws of the State of Colorado in the performance of the services to be rendered and materials to be provided to the District pursuant to this Solicitation unless the Supplier receives prior written permission.

3. In accordance with the District's policy regarding the use of tobacco and marijuana products, no employee of the Supplier shall be permitted to use tobacco and marijuana products when performing work on District property.

4. To protect the staff and program against undue invasion of the school or work day, sales representatives shall not be permitted in schools or other departments for the purpose of making sales unless authorized to do so by the Director of Purchasing or his/her designee. If special or technical details concerning goods or services to be purchased are required, the involvement of Suppliers should be coordinated through the Purchasing Department.

5. **Background Checks.** The Contractor and every person, including any subcontractor or agent of the Contractor, who provides direct services to students, or who has access to student data, shall be required to have a criminal background check that meets the requirements of § 22-32-109.7, C.R.S. and other District requirements, including a fingerprint-based conviction investigation. A Colorado Bureau of Investigation criminal history check and Name Check investigation for any person providing services under this Contract do not meet District requirements. The costs associated with the background checks are solely the Contractor's responsibility. Thereafter, any personnel, subcontractor, volunteer or agent hired or added during the term of this Contract shall satisfy the requirements set forth in this Section before performing services on Contractor's behalf. The Contractor shall make the background check results available upon request of the District in compliance with the provisions of § 24-72-305.3, C.R.S. The District also reserves the right to conduct its own criminal background check of every person before Services begin.

    a) Notwithstanding the criminal background check requirement as set forth above, Contractor hereby certifies that no employee, subcontractor, volunteer or agent of the Contractor performing the Services has been convicted in Colorado or in any other State of a criminal offense involving:

(i) the abuse, abduction, sexual molestation, physical or sexual assault on, or rape of a minor; or (ii) any crime involving exploitation of minors, including but not limited to, child pornography offenses or any crime of violence. Contractor shall notify the District immediately upon the discovery or receipt of any information that any person performing services on Contractor's behalf has been detained or arrested by a law enforcement agency of the aforementioned crimes. Contractor understands that allowing any employee, subcontractor, volunteer or agent of the Contractor performing the Services who has been arrested or convicted of the aforementioned crimes to: (i) provide direct services to students, (ii) access student data, or (iii) enter onto District property, constitutes a material breach of this Contract and may result in the immediate termination of this Contract and referral to law enforcement for possible criminal charges, or additional civil sanctions pursuant to federal and state law. Misdemeanor conviction(s) may not necessarily result in the immediate termination of this Contract. Misdemeanor convictions are evaluated on a case-by-case basis, considering the nature and gravity of the offense, time elapsed since the offense, conviction, or time served, and the nature of the Services. Upon the District's request, the Contractor shall provide documentation of every person performing the Services to substantiate the basis for this certification.

D. Delivery. Prices, quotes and deliveries are to be **FOB destination, freight prepaid**, and shall require inside delivery unless otherwise specified in the Solicitation's Special Terms and Conditions. Title and risk of loss shall pass to the District upon inspection and acceptance by the District at its designated point of delivery, unless otherwise specified in the Special Terms and Conditions. In the event that the Supplier defaults on its contract or the contract is terminated for cause due to performance, the District reserves the right to re-procure the materials or services from the next lowest Supplier or from other sources during the remaining term of the terminated/defaulted contract. Under this arrangement, the District shall charge the Supplier any difference between the Supplier's price and the price to be paid to the next lowest Supplier, as well as any costs associated with the re-solicitation effort.

E. Material Priced Incorrectly. As part of any award resulting from this process, Supplier(s) will discount all transactions as agreed. In the event the District discovers, through its contract monitoring process or formal audit process, that material was priced incorrectly, the Supplier(s) agree to promptly refund all overpayments and to pay all reasonable audit expenses incurred as a result of the non-compliance.

XI. MODIFICATIONS TO EXISTING CONTRACT. Terms and conditions may be added, modified, and deleted upon mutual agreement between agents of the District and the Supplier provided that such terms and conditions remain within the scope and original intent of the Solicitation. Said terms and conditions may include, but are not limited to, additions or deletions of service levels and/or commodities and/or increases or decreases in the time limits for an existing contract. Any and all modifications to the existing contract must be expressed in writing through an Amendment to the contract and executed by authorized agents of the District and the Supplier prior to the enactment of such modifications.

XII. TERMINATION OF CONTRACT

A. The District may, by written notice to the successful Supplier, terminate the contract if the Supplier has been found to have failed to perform its service in a manner satisfactory to the District as per specifications, including delivery as specified. The date of termination shall be stated in the notice. The District shall be the sole judge of non-performance.

B. The District may cancel the contract, without penalty, upon thirty days written notice for reason other than cause. This may include the District's inability to continue with the contract due to the elimination or reduction of funding.

XIII. ELECTRONIC SIGNATURES AND ELECTRONIC RECORD Contractor consents to the use of electronic signatures by the District. This Agreement, and any other documents requiring a signature under this Agreement, may be signed electronically by the Owner in the manner specified by the Owner. The Parties agree not to deny the legal effect or enforceability of this Agreement solely because it is in electronic form or because an electronic record was used in its formation. The Parties agree not to object to the admissibility of the Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

XIV. FORCE MAJEURE Neither the Contractor nor the District shall be liable to the other for any delay in, or failure of performance of, any covenant or promise contained in this contract, nor shall any delay or failure constitute default or give rise to any liability for damages if, and only to the extent that, such delay or failure is caused by “force majeure”. As used in this contract “force majeure” means acts of God; acts of the public enemy; acts of the District and any governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes, freight embargoes; illegality, or unusually severe weather.

II. **TERM OF CONTRACT:** One Year

III. **OPTION TO RENEW:** The prices or discounts quoted in this Solicitation shall prevail for term of the contract, at which time the District shall have the option to renew the contract for **subsequent one year** periods, provided, however, that the Supplier will maintain the same prices or discounts that were awarded during the initial contract. The optional renewal periods shall **not exceed four years**. Continuation of the contract beyond the initial period is a District prerogative and not a right of the Supplier. This prerogative will be exercised only when such continuation is clearly in the best interest of the District.

Stage One (Threshold Verification): Proposals are reviewed for disqualifying factors (completeness, Required Forms, USAC Form 473/SPIN validity, authorized reseller proof, and technical equivalency verification). Bids failing Stage One will not advance.

Stage Two (Scoring of Written Responses): Evaluation scores will be based upon the written Responses provided to the District for the Solicitation using the criteria in Section IV. After all Responses have been evaluated and scored, if necessary, the Committee will invite a limited number of the highest scoring Responses to participate in "RoundTwo" where they will be able to present to the Evaluation Committee. The number of Suppliers who are invited to participate in the second round will be determined by the Committee after all the written Responses have been collected , evaluated and scored.

other pricing proposals will receive a percentage of the points based on their comparison to the lowest Contract Amount.

Stage Three (Presentations) (if necessary): Will be an on-site or virtual presentation to the evaluation team. Suppliers will be notified via email that they have been invited to participate in this round. Round Two will be based on a ranking scale. If Round Two ends in a tie, Round One scores will be added to the Round Two scores. Suppliers will be given further information with their invitation to presentIn the first phase, the Committee will score written Responses by reviewing documentation submitted by the Suppliers. Evaluations will be based on the criteria in Section IV.

VII. METHOD OF PAYMENT: Vendorshallsubmit an invoice with NET 30 day payment terms for services performed for DPS under the terms of this contract. The invoice shall be directed to Accounts Payable via email at invoices@dpsk12.org. A. The Service Provider agrees to bill and receive a portion of the payment for the provisions of goods and services described herein directly from USAC via the FCC Form 474 Service Provider Invoice (SPI). The Applicant will only be responsible for paying its non-discounted share of costs and does not intend to use the BEAR process (FCC Form 472). The maximum percentage the Applicant will be liable for is the pre-discount amount minus the funded amount as shown on the FCC Form 471 Funding Request Number ("FRN") and associated FRN Line Items and any identified ineligible costs. Upon successful receipt or posting of a Funding Commitment Decision Letter from USAC and submission, certification and USAC approval of FCC Form 486, the Applicant shall pay only the discounted amount beginning with the billing cycle immediately following said approval. Alternatively, should the Applicant decide that it is in the best interest of the Applicant to file an FCC Form 472, the Applicant will inform the Service Provider of its intent.

B. The Service Provider agrees that it will not invoice USAC for equipment or services that have not been delivered to and accepted by the Applicant and installed. If equipment is being drop-shipped to the Applicant and the Applicant is responsible for installing the equipment, the Service Provider may not invoice USAC until equipment is received and accepted by the Applicant.

Such demonstrations will be provided to the District for evaluation by, and at no cost to, the District. If a demonstration of competency is required, the District will notify the Vendor of such and will specify the deadline for providing the demonstration. The District reserves the right to establish its own procedures for evaluating the Vendors' competencies and abilities. On the

basis of this evaluation criteria, the District shall be the sole judge of the abilities of each Vendor in conformance with standards established in the Specifications and its decision shall be final.

IX. ESTIMATED QUANTITIES: Estimated quantities or estimated dollars are provided in this solicitation for the Vendor's guidance only. No guarantee is expressed or implied as to quantities or dollars that will be used during the contract period. The District is not obligated to place an order for any given amount subsequent to the award of this Solicitation. Said estimates may be used by the District for purposes of determining the low Vendor meeting Specifications.

Any optional components which are required in accordance with the Specifications shall be considered standard equipment for purposes of this Solicitation. Demonstrators models will not be accepted. Omissions of any essential detail from these Specifications does not relieve the Vendor from furnishing a complete unit. The unit shall conform to all applicable OSHA., State of Colorado, and Federal safety requirements. All components, including but not limited to assists, wiring, accessory mounting, parts, connectors and adjustments, are to be in accordance with current SAE. standards and recommended practices. In addition, Vendors are encouraged to offer additional discounts below the original prices quoted in the Response for large single orders. Such discounts cannot be considered in the evaluation of the Solicitation.

XIV. SALES TAX: The District is exempt from paying State or Local Sales Taxes. Notwithstanding, Suppliers should be aware of the fact that all materials and supplies which are purchased directly by the Supplier in conjunction with this contract will be subject to applicable state and local sales taxes and these taxes shall be borne by the Supplier.

PURCHASE ORDERS PLACED WITH VENDOR DURING CONTRACT: All orders placed with the Vendor during the term of the contract shall be issued by the District's Strategic Sourcing Department through a Purchase Order bearing a unique Purchase Order number which will be sent directly be email to the Vendor. The Vendor shall not fill any requests for materials or supplies until a Purchase Order has been received from the District. A verbal Purchase Order number, however, may be issued to the Vendor by an agent of the Strategic Sourcing Department under emergency circumstances in advance of a written Purchase Order.

Under these circumstances, the District's Strategic Sourcing Department will contact the successful Vendor and obtain a price quote for the ancillary items and will also obtain price quotes from at least two other sources. The District reserves the right to award these ancillary items to the successful Vendor or to another Vendor based on the lowest price quote.

XVII. PROTECTION OF PROPERTY: All existing structures, utilities, services, roads, trees, shrubbery, etc. located on District property shall be protected against damage or interrupted services at all times by the Vendor during the term of this contract. I. OVERVIEW

A. The District is the largest school district in Colorado. It employs approximately 14,000 employees, and serves over 88,000 students. The District is unique in that the city, county and school district, as established by the state constitution, have the same geographical boundaries. The school district covers approximately 200 square miles. Established as a school district in 1902, Denver is one of the finest urban school districts in the nation. The District operates approximately – (4) ECE-K, (95) elementary schools, (17) ECE-8, (3) ECE-12, (32) middle schools, (13) 6-12, (43) high schools, (1) adult education center, and participates in the Rocky Mountain School of Expeditionary Learning. The District is housed in approximately 250 buildings, within the Denver Metro Area.

School communities have been given authority to make decisions on many issues affecting their local schools. Each school has a collaborative decision-making team consisting of parents, teachers, students (in the high schools), and business representatives who are elected yearly by their peers, and the school principal.

The Denver Public Schools are governed by a seven-member Board of Education. Members are publicly elected to four-year staggered terms. Five members of the School Board represent a geographic district of the city and two are at-large. Board members are responsible for setting policies for the overall operation of the District, as well as evaluating and hiring a superintendent to oversee the District's daily operations.

The Superintendent is responsible to the Board of Education for carrying out District policy, administering the operation of the District and schools, supervising all District personnel and advising the Board of Education on all educational matters for the welfare and interest of the students.
