**BEN:** **17031198**

## Questions:

All questions must be directed to the "Form 470 Contact" listed on the 470, and the Form 470 Number must be included in the subject line. Verbal inquiries are not permitted. When applicable, clarifications will be posted as an attachment or addendum to the Form 470. Each Offeror is responsible for downloading the most current version of the Form 470 and all associated attachments, including any addenda. The Entity reserves the right to request clarifying information from vendors during the proposal review process.

## Proposals:

### Category 2:

Proposals must contain all hardware and services requested or it will be disqualified.

- **Hardware and Installation:** Only complete proposals will be accepted. Include all items listed on the 470 or the bid may be disqualified.
- **MIBS:** When responding to Managed Internal Broadband services, provide the manufacturer, model and cost for each item being served.

Vendor pricelists will not be considered.

National Security Supply Chain Restrictions – Equipment or services produced or provided by a company that the FCC has designated as a national security threat to the integrity of communications networks or the communications supply chain are not eligible for E-Rate support. 47 CFR § 54.9(a). In addition, participants are prohibited from using E-Rate support to purchase, rent, lease, or otherwise obtain any covered communications equipment or service, or maintain any covered communications equipment or service previously purchased, rented, leased, or otherwise obtained. 47 CFR § 54.10. List of restricted equipment https://www.fcc.gov/supplychain/coveredlist.

Include all taxes shipping and fees.

Include Manufacturer / Model / SKU for all hardware proposed.
