## RFP Requirements

**Addendum #1: (11/9/2026)** The Q&A for this RFP has closed and the final Q&A transcript has been uploaded into EPC as of **11/9/2026**.

***All proposals need to be submitted through this system to be accepted.*** No phone calls concerning this application will be accepted. All communication about this RFP will only be provided via the Q&A section of this RFP in which questions and answers will be posted publicly. Responses received after the stated deadline may be deemed non-responsive. All vendors must comply with Texas Education Agency Financial Accountability Guidelines found in Module 5: Purchasing.

**Specific Requirements:**

- All proposals should be received by the Bid Close Date. Any offer, modification, revision, or withdrawal of an offer received after this Close Date may not be considered unless it is determined that an untimely submission was due to circumstances beyond the vendors control, a consideration of the offer would be in the best interest of the applicant, or the offer is the only proposal received.
- For all of the items/services listed in this Request for Proposal, please consider services that are equivalent, more/less in quantity, better and/or more cost effective when submitting proposals.
- If installation is requested, then installation must be included with the equipment and/or service requested. Otherwise, the bid may be considered non-responsive.
- All equipment on this request is for owned equipment. Unless otherwise stated, any leased equipment responses may be deemed non-

responsive.

- In the event that no bids are received in a certain service category, we may solicit cost-effective bids after the Bid Close Date.
- If special construction charges apply, please include the option for installment payments of up to 4 years for the applicants non-discounted share.
- All contracts are contingent upon funding by the Schools and Libraries Division (SLD) of the Universal Services Administrative Company (USAC) unless otherwise agreed upon by district.
- All pricing provided in the proposal should be in accordance with the Lowest Corresponding Price rule.
- Service providers may include contingency fees in their bid responses if they deem it a necessary item and the fees are reasonable and a regular business practice. These fees should be included based on the situation/circumstances to provide the service/products. These charges should be separate from any other charges and clearly listed in the proposal. The fees will only be paid if the service/products are completed.
- Proposers should separate the cost of eligible services/products from non-eligible services/products and clearly indicate this separation on the proposal.
- When Software and Licenses are requested, Proposer should identify if it is a Managed License or Internal Connections.
- Proposer must be in good standing with the Federal Communications Commission (FCC) and does not have a red-light status. If there is a red-light status, the contract will become null and void without penalty to the applicant.
- Proposers will be held responsible for complying with all E-Rate program rules. No gifts shall be offered or accepted by the applicant at any time.
- All submitted bids should include contracts and the contracts should also include the option for voluntary extensions unless they are month to month services.
- Submitted bids should include scalability of bandwidth during the terms of the contract.
- A manufacturer's multi-year warranty for a period up to three years that is provided as an integral part of an eligible component, without a separately identifiable cost, may be included in the cost of the component.

## Additional Information

## RFP Q&A

| | |
|---|---|
| Should all equipment ship to one address (Peaster ISD Administration, 3602 Harwell Lake Road) or to each campus? If per campus, please give the split of the 30 access points and 3 UPS units by campus.<br>asked on 11/6/2026 2:29:59 AM by DKInfraEdge LLC | Please send all equipment to the Peaster Administration Building. |
| Do the 30 U6 Pro access points adopt into an existing UniFi controller or Cloud Gateway, and is there an existing PoE+ switch port and cable drop at each location? Would the district accept the current generation UniFi U7 Pro as an equivalent to the U6 Pro?<br>asked on 11/6/2026 2:30:40 AM by DKInfraEdge LLC | Yes, we have an existing UniFi controller. We have cable drops at each location, and available PoE+ ports. The district will evaluate all options requested and/or their equivalents. |
| For the three SU3000RTXLCD2U units: is a 30 amp (NEMA L5-30R) receptacle available at each rack, and should the proposal include the optional WEBCARDLXE network management card or external battery packs?<br>asked on 11/6/2026 2:30:48 AM by DKInfraEdge LLC | Yes and the district will evaluate any optional items that coincide with the original request. |
| Does the district prefer SPI (discounted bills) or BEAR invoicing?<br>asked on 11/6/2026 2:30:57 AM by DKInfraEdge LLC | SPI |
