**Fiber Locate and Maintenance**
**Request for Proposal**

The Hudson School District has a district owned fiber Wide Area Network (WAN) that connects its entity locations to the network hub and is issuing this Request for Proposal (RFP) for services to locate and maintain those fiber segments.

**General Requirements:**

- Vendors responding to the RFP must participate in the Federal Government's E-Rate program and have a Service Provider Identification Number (SPIN) or willing to obtain one from the Universal Service Administration Corporation (USAC) Schools and Libraries Division. Vendors must agree to follow program rules.
- The period of service for Fiber Locate and Maintenance is July 1, 2027 -- June 30, 2028.
- RFP response is due at the end of twenty-eight days from the date the Form 470 is posted requesting this service.
- Any questions should be directed to the main contact listed on the Form 470. RFP response should be emailed to the main contact listed on the Form 470.

**Locate and Maintenance Requirements:**

In responding to the quote request, vendors are asked to meet the following requirements:

- All needed coordination, supervision, labor, materials and equipment consistent and compliant with all codes, ordinances, and accepted standards.
- Maintenance coverage 24 hours a day, 7 days a week.
- Routine maintenance including materials, labor, and equipment.
