All quantities are estimates as solutions proposed by vendors to meet the minimum specifications required and outlined in the RFP may necessitate differing totals/quantities. Quantities and bandwidths are estimates. Please refer to the RFP for details on services being requested and all requirements.

To ensure that all Service Providers receive the same RFP information, it is required that you download the RFP directly from USACs EPC website or from the link in the posted Form 470. All addendum(s), questions and answers will be posted to the districts website, in addition to the E-rate EPC website
