Narrative
Naches Valley School District requests qualified individuals and firms to submit written proposals for the replacement of its current firewall with a new, more robust firewall. Our current firewall is a WatchGuard M570. The School District is requesting a Cisco 3105 ASA or equivalent firewall appliance. Included in the pricing should be assistance in switching over to the new firewall, which includes all current settings on our existing firewall being implemented on the new firewall and the training needed to operate it successfully. We are also requesting 5-year licensing for any device quoted. Any appliance quoted should be fully E-rate discountable. It is the intent of the District to procure goods or services that may be adjusted for the addition of new sites, relocation of sites, or adjustments to the quantity and/or capacity of service, in accordance with the terms of any resulting contract or service agreement. See the Request for Proposal for additional details.
