Addendum #1

11.9.2026

RFP 10-27; Basic Maintenance Internal Connections

Please sign below acknowledging receipt via email to: amy_drummond@redlands.k12.ca.us

Questions/Clarifications:

1. Bid security: The bid form refers to bid security and Performance and Labor & Material bonds. For this maintenance-only contract, what bid security amount is required, and are the performance and payment bonds required? Answer: Please disregard bid security, Performance and Labor and Material bonds.
2. Contractor license: Item 8 asks for a contractor license number. Is a CSLB license required for maintenance-only work, or may that line be marked N/A? Answer: The line can be marked N/A.
3. Proof of Cisco Authorized Service Provider: Will a Cisco partner letter plus SmartNet bought through an authorized Cisco distributor meet this requirement? Answer: Yes. The District will accept a valid Cisco Partner Letter confirming the bidder's status as a certified Cisco partner. Bidders must provide documentation demonstrating current manufacturer authorization to sell the proposed equipment and/or provide the proposed manufacturer support services. Bidders proposing equivalent products must provide corresponding authorization from the proposed manufacturer.

Company Name:_____
