Lamar School District R1

IFCB Posted : Nov 2, 2026

Bid Deadline : Monday, Dec 14, 2026

Questions Due By : Wednesday, Nov 11, 2026

Applicant Address : Lamar, MO 64759

IFCB ID : 270003235

IFCB Requirements :

- Before the listed deadlines, all Questions and Bids must be submitted using the on-line IFCB system. Bids submitted before the bid deadline outside of this system will be disqualified. If the system is down before the deadline, please email your bid to info@crwconsulting.com or fax it to 918.445.0049. Bids or questions submitted in this fashion will be disqualified if the on-line system is active at the time of submission. The applicant reserves the right to request and obtain bids outside of the website system if the bid deadline has passed and zero or one bid is received (the intent for this is to follow USAC guidance on obtaining cost-effective bids).

- For all requested services and/or products listed on this IFCB: proposals that include generic/encyclopedic price lists will be considered non-responsive and will be disqualified. SPAM and/or robotic responses will not be considered valid bid responses and will be disqualified from consideration.

- Bidder must agree to participate in USF Program (AKA “E-rate”) for the corresponding funding year.

- Please include the correct Service Provider Identification Number (SPIN) on your bid.

- By submitting a bid, bidder certifies that the bidder does have a valid (non-red light status) SPIN for the E-rate program at the time of submission. Should the Applicant discover that the bidder is on red light status, or if the FCC classifies the bidder as on red-light status before work is performed and invoices are paid, the contract will be null and void and the applicant will have no payment obligations to the bidder.

- Bidder is expected to provide the lowest corresponding price per E-rate rules. See https://www.usac.org/e-rate/service-providers/step-2-responding-to-bids/lowest-corresponding-price/ for details.

- Contracts must not prohibit SPIN changes.

- Bidder must agree to provide the Applicant the choice of discount methods (SPI or BEAR).

- Bidder will be automatically disqualified if the District determines that the bidding company has offered any employee of the District any individual gift of more than $20 or gifts totaling more than $50 within a 12 month period.

- All contracts awarded will be contingent upon E-rate funding and final board approval. The applicant may choose to do all or part of the project upon funding notification.

- All applicable fees, surcharges, and taxes must be identified on the bid. E-rate rules require the applicants to evaluate the price of eligible goods and services that will be listed on the 471 application during the competitive bidding process. Fees and surcharges that apply but are not listed on the bid will be the responsibility of the bidding company, should their bid be awarded.

- If there is a request to purchase or lease new equipment, either Category Two or Category One, listed on this IFCB the applicant will accept bids for functionally equivalent equipment.

- E-rate rules require applicants to evaluate the cost of eligible goods and services, and to cost-allocate out the amount for ineligible services from their funding request. If your company will be bidding internet access service, please identify the amount to be cost-allocated out for the ineligible services – email service, web hosting, content filtering, or other bundled ineligible services.

- LEASED LIT FIBER DISQUALIFICATION FACTOR: Bids submitted for services to an incorrect address will be disqualified.

- LEASED LIT FIBER DISQUALIFICATION FACTOR: Any and all installation charges must be identified on your bid. If you submit a bid indicating that installation charges may apply without listing those charges, we will consider your bid incomplete and disqualify your bid.

- DISQUALIFICATION FACTOR INTERNAL CONNECTIONS: The applicant will not accept bids from manufacturers of equipment deemed a national security threat by the Federal Communications Commission. The list of prohibited equipment is available here: https://www.fcc.gov/supplychain/coveredlist . Vendors that submit bids that includes these manufacturers will have their bid disqualified.

- DISQUALIFICATION FACTOR INTERNAL CONNECTIONS: Vendors must complete and include the C2 Cover Page with their bid. Bids received without the cover page will be disqualified.

- DISQUALIFICATION FACTOR INTERNAL CONNECTIONS: Applicant will not accept bids for refurbished equipment. Any bids containing refurbished equipment will be disqualified.

- DISQUALIFICATION FACTOR INTERNAL CONNECTIONS: Service providers are required to bid the entire hardware project. Bids for individual components, or bids that do not include all of the requested items for the project will be disqualified.

- DISQUALIFICATION FACTOR INTERNAL CONNECTIONS: It will be the bidder’s responsibility to provide documentation about the compatibility requirements listed in this IFCB. Vendors that submit bids without documentation demonstrating the required compatibility listed in this IFCB will have their bids disqualified, unless that vendor has bid the preferred make/model number listed.

Questions Received with Applicant Answers (Ask Questions?)

For Category Two only, please confirm: (1) a bidder may quote the complete 133-license project separately from Category One leased fiber; (2) the required five-year activation/start and end dates, and whether these are new entitlements or renewals; and (3) that the intended part number is USK12-STD-A-S-C-EW-5Y, including TAC and OS support. Please provide the existing AP models and any serial numbers, license/account or contract identifiers needed for compatible renewal pricing.

Answer:

1. Yes, the bidder may quote the C2 Qty- 133 license project separately from the C1 leased fiber project.

2. These will be
Renewal licenses
for APs we already own
. The start and end dates are listed below. The current licenses expire10/25/2027 (18 will expire on 11/18/2027), so the new licenses should all begin by 10/25/2027 and expire approx.10/25/2032 in order to prevent lapse.
