Form 470 # 270003242

Vendors shall submit all bids to bids@erateconsulting.com by 11:59pm (EST) on December 2, 2026.

Requirements/Preferences:

(1) Proposals **must** be submitted in electronic format to bids@erateconsulting.com. Adherence to this requirement is your responsibility and cannot be imputed to the Applicant. Do NOT send proposals to any other contacts listed on the Form 470.

(2) With your submission, you **must** include your standard contract terms and conditions. Failure to do so will result in your bid being incomplete for bid evaluation purposes.

(3) SPAM and robotic bids not reasonably responsive to the Applicant's service request(s) shall be deemed non-responsive and disqualified.

(4) In your email submission, the subject line **must** specifically reference the Applicant and the applicable Form 470#.

(5) At the time of your bid submission, you **must** have a valid Service Provider Identification Number (SPIN). Lacking a valid SPIN at the time of submission will result in your bid being deemed incomplete for bid evaluation purposes.

(6) If your proposed solution is comprised of services available through a State Master Contract or some other cooperative purchasing arrangement recognized by the State of New Jersey, you **must** provide a specific reference to the contracting arrangement and, where applicable, the contract number.

(7) Vendors should have prior experience delivering their proposed solution(s) to public school districts in New Jersey. References must be provided upon request.

(8) Your proposed monthly recurring cost(s) (MRCs) **must** include all taxes, fees, and additional eligible charges (if any). Your proposed MRC shall be deemed final for bid evaluation purposes. Once the bid submission deadline has passed, service providers may not amend their proposed MRC(s). Failure to incorporate any taxes, fees, or other additional eligible charges in your proposed MRC shall preclude any subsequent modifications to the MRC(s) without the district's prior written consent to said

modification. **By submitting a proposal in response to this Form 470, you agree to be bound by this requirement.**

(9) Proposals should include all one-time, non-recurring charges. Failure to include such charges in your submission will be deemed a waiver of the right to collect any such costs prior to or during the implementation process.

(10) All service providers should be able to provide a current NJ Business Registration Certificate and W-9 upon request. Failure to do so will result in your bid being deemed incomplete for bid evaluation purposes.

(11) All proposals must conform to the applicable provisions of the New Jersey Public Schools Contracts Law (Title 18A:18A-1 et seq.) and Board policies and regulations.

(12) The Applicant prefers a 36-month term of service but has requested and will evaluate other proposed contract terms.

(13) By submitting a bid in response to this Form 470, you are certifying that your Company is in compliance with FCC Order FCC 19-121, which bars the use of USF subsidies to fund equipment, components, and services from "covered" companies deemed to be a national security risk.

(14) There is no Attachment A (Internet) for this Form 470. For Attachment B (WAN Services), you must provide a projected service start date, taking into account any necessary construction timeline estimates. **Failure to indicate the service start date in Attachment B will result in your bid being deemed incomplete for bid evaluation purposes relative to that service.**

(15) If the incumbent vendor does not respond to this Form 470, then the Applicant reserves the right to use the incumbent vendor's current pricing in its evaluation.

(16) The Applicant reserves the right to consider in its evaluation any eligible services that are available by way of State Contract and/or State-approved cooperatives.

(17) Do NOT bundle the costs of any ineligible services into the monthly recurring costs of eligible services unless otherwise necessary under Program rules. When a bundled C1 solution is proposed, you must specifically identify the separate costs of all bundled services. Failure to abide by this request may jeopardize the applicant's E-rate funding and will impact the bid evaluation.

(18) Please have an authorized company representative print, sign and date this document and submit along with your bid to indicate that you have read, considered, and understand each of these requirements. **Failure to submit this document with an**

authorized representative's signature will result in your bid being deemed incomplete for bid evaluation purposes.

WAN Services (Attachment B):

- The Applicant's current topology is hub and spoke.
- Hub site and relevant satellite site addresses can be found in Attachment B.
- The Applicant will consider and evaluate solutions other than its current topology, but such Proposals must include specific detailed information about how the network will function and include any special construction or one-time fees associated with deployment. Failure to specifically include these costs or to indicate that no such costs apply will result in your proposal being deemed incomplete for bid evaluation purposes.
- The bandwidth increments and service terms for which pricing is sought are specified in Attachment B.
- You may modify Attachment B, as necessary, to account for any additional costs associated with your proposed solution.

If other than July 1, 2027, you must specify your proposed service start date in Attachment A. Failure to do so will cause the district to reasonably conclude that service can begin on July 1, 2027. If that turns out to not be the case, then the district reserves the right to terminate the agreement with no penalty.

Please print your name, sign, and date to indicate that you have read the above requirements, that you understand them, that your proposal complies will all requirements, and that you agree to be bound by the terms of this document. Failure to do so will result in your bid being deemed incomplete for bid evaluation purposes.
