**BEN: 17031767**
**2027-2028 Funding Year (FY27)**
**July 1, 2027-June 30, 2028**
**Form 470#270003322**

| Entity | Address |
|---|---|
| THRIVE Community School | 7399 Old Santa Fe Trail, Santa Fe, NM 87505 |

THRIVE Community School is seeking proposals for Internet Access services to support its eligible location and meet the school's current and anticipated connectivity needs. Vendors are requested to provide proposals for 1-year, 3-year, and 5-year contract terms, including pricing for each term option. Each proposal must clearly identify the service type, bandwidth, recurring monthly and annual costs, contract term, installation or activation costs, equipment costs, one-time charges, and any other applicable fees. Vendors should also identify any available bandwidth options, scalability, and associated pricing. All proposed services must comply with applicable E-Rate Program rules and requirements**.**

The proposer should separate the cost of eligible services/products from non-eligible services/products and clearly indicate this separation on the proposal.

Proposer must be in good standing with the Federal Communications Commission (FCC) and does not have a red-light status. If there is a red-light status, the contract will become null and void without penalty to the applicant.

All proposed equipment and services must comply with all applicable FCC E-Rate national security and supply chain requirements, including 47 C.F.R. §§ 54.9 and 54.10. Vendors are responsible for ensuring that all proposed equipment and services comply with these requirements. Bids proposing equipment or services prohibited by the FCC, including equipment or services associated with entities identified on the FCC Covered List, will be disqualified.

## Proposal Submission Guidelines

**General Bidding Information**

All bids submitted for eligible products and services will be carefully considered, with price being the heaviest weighted factor, and the bid selected will be for the most cost-effective service offering consistent with 47 C.F.R. § 54.511(a). In determining which service offering is the most cost-effective, the school may consider relevant factors other than the pre-discount prices submitted by providers, but price should be the heaviest weighted factor considered.

All vendors responding to this FCC Form 470 must comply with the Federal Communications Commission (FCC) competitive bidding requirements. Bids are due on The Allowable Contract Date by

5:00pm MST. Late submissions may be disqualified. To keep the processes moving forward, it is important to follow the directions laid out in this proposal. Proposals will be accepted up until **The Allowable Contract Date.** Any proposals received after this date may not be considered. To ensure a fair, complete, and compliant bidding process, vendors are solely responsible for monitoring and obtaining all communications, questions and answers, notices, clarifications, revisions, and updates related to the FCC Form 470 and any associated RFP or bid documents. The applicant is not responsible for ensuring that vendors receive or review such information. Vendors are responsible for ensuring that their proposal reflect all applicable information, requirements, and revisions issued during the competitive bidding process.

All vendors responding to this FCC Form 470 must submit bids via email to seanduncan@thriveschoolsf.org .

Questions and answers from any communication with vendors will be posted as an addendum attachment on the original form 470 on the USAC website as clarification for all bidders. Additionally, all vendors must complete the attached E-Rate Service Provider Bid Response Form.

Bids must reference the FCC Form 470 number and bidding vendor's Service Provider Identification Number (SPIN).

If you are not able to provide the services for which you are bidding to all listed locations, please indicate which locations are being bid on your proposal. Preference will be given to vendors who can service all listed locations in this RFP and who can also sustain the billing or invoicing gap as cited above.

## Proposal Pricing

Proposals must include SKU, make, model, pricing for eligible licenses, software, installation, testing, taxes/fees, and shipping. THRIVE Community School reserves the right to adjust quantities prior to purchasing to meet the needs of any school. All costs must be itemized to include an explanation of all fees and costs prior to any E-Rate discounts. All taxes and any other associated fees, including sales taxes, must be identified separately.

Bids should provide the "Lowest Corresponding Price" it is the lowest price that a service provider charges to non-residential customers who are similarly situated to a particular school, library, or library consortium for similar services. Any requested equipment/service quantities are "up to" and purchased as needed over the life of the contract. See 47 C.F.R. § 54.500.

Service providers cannot charge applicants a price above the LCP for E-Rate program services. See 47 C.F.R. § 54.511(b).

## Vendor Requirements

Vendor references should be provided upon request.

All bidding vendors must be registered with USAC and have a valid Service Provider Identification Number (SPIN).

Bidders must include SPIN Number on contracts for requested services with their response.

Service Provider must file the Service Provider Annual Certification (SPAC) form each funding year for each Service Provider Identification Number (SPIN).

Bidders must agree to comply with the rules and regulations of USAC and the E-Rate program. Please visit https://www.usac.org/e-rate/service-providers/ for more information regarding E-Rate rules and process.

Bidders must be familiar with the billing methods and timelines specified by USAC. Bidders must acknowledge and therefore be able to process E-Rate reimbursements via the SPI methodology as well as keep track of running total of received E-Rate SPI discounts per school or NIF.

**Vendor Invoicing**

Invoices must be submitted before the invoice filing deadline.
• Generally, the date is October 28 for recurring services and January 28 for nonrecurring services.
• Current Invoice Deadline Dates (IDD) are posted in EPC on the FRN detail screen.
Make sure all equipment purchased is installed and in use before the service delivery deadline. Submit invoices to USAC within 120 days of the service delivery deadline.

**National Security Supply Chain Restrictions:** Equipment or services produced or provided by a company that the FCC has designated as a national security threat to the integrity of communications networks or the communications supply chain are not eligible for E-Rate support. 47 CFR § 54.9(a). In addition, participants are prohibited from using E-Rate support to purchase, rent, lease, or otherwise obtain any covered communications equipment or service, or maintain any covered communications equipment or service previously purchased, rented, leased, or otherwise obtained. 47 CFR § 54.10. A list of covered communications equipment and services can be found on the FCC's website at https://www.fcc.gov/supplychain/coveredlist and will be updated to reflect any future determinations. Bids that include equipment that was manufactured for use outside of the United States will be disqualified**. DISQUALIFICATION FACTOR INTERNAL CONNECTIONS**: Bids from companies that include equipment barred by the Federal Communications Commission due to national security will be disqualified. On September 21, 2022, the FCC added equipment and services from two new entities as Covered Companies (Pacific Network Corp. and its wholly owned subsidiary ComNet (USA) LLC and China Unicom (Americas) Operations Limited) to its list of communications equipment and services that have been deemed a threat to national security. The Section 54.10 prohibition includes telecommunications equipment or video surveillance equipment produced by Huawei, ZTE, Hytera, Hangzhou Hikvision, and Dahua. Recipients of Universal Service Fund (USF) support may not use USF money to buy new equipment or to support or maintain equipment already in inventory from companies, their parents, affiliates, and subsidiaries included on the Covered List.

- *Gift restrictions.* (1) Subject to paragraphs (d)(3) and (4) of this section, an eligible school, library, or consortium that includes an eligible school or library may not directly or indirectly solicit or accept any gift, gratuity, favor, entertainment, loan, or any other thing of value from a service provider participating in or seeking to participate in the schools and libraries universal service program. No such service provider shall offer or provide any such gift, gratuity, favor,

entertainment, loan, or other thing of value except as otherwise provided herein. Modest refreshments not offered as part of a meal, items with little intrinsic value intended solely for presentation, and items worth $20 or less, including meals, may be offered, or provided, and accepted by any individuals or entities subject to this rule, if the value of these items received by any individual does not exceed $50 from any one service provider per funding year. **Abide by the E-Rate Gift Rules**. Receipt or solicitation of gifts by applicants from service providers (and vice versa) is a competitive bidding violation. Gift prohibitions are always applicable – not just during the competitive bidding process.

- *Free Services Advisory* Applicants and service providers are prohibited from using Schools and Libraries (E-Rate) program funds to subsidize the procurement of ineligible or unrequested products and services or from participating in arrangements that directly or indirectly reduce the applicant's non-discount share.

## Post-Award Requirements

**E-Rate Documentation**

The contract winner must keep track of all equipment purchased and installed for THRIVE Community School that are being bid on in response to this RFP. This report must be submitted to THRIVE Community School after the end of every E-Rate year. At a minimum, the report should include:

Name of School
Make/Model of equipment or type of cable run
Quantity of equipment or cable run
Purchase date
Invoice number
Installation date

**All installed equipment and cabling should be labeled.**

In addition to standard labeling (i.e. patch panels labeled with cable number), equipment should be labeled with E-Rate information as follows:

Funding Request Number (FRN)
Form 471 Application Number
Purchase Order Number
Installation Date

Installation, activation, and initial configuration of eligible components are eligible. Design and engineering costs if these services are provided as an integral component of the installation of the relevant services. Project management costs if these services are provided as an integral component of the installation of the relevant services. On-site training is eligible as a part of installation services but only if it is basic instruction on the use of eligible equipment, directly associated with equipment installation, and is part of the contract or agreement for the equipment. Training must occur coincidently or within a reasonable time after installation.

**Payment New BEAR/SPI Selection Added to FY2026 E-Rate FCC Form 471 Application** The FY2026 FCC Form 471 was updated with a new field below the Narrative to collect the invoicing method (FCC Form 472/BEAR or FCC Form 474/SPI) for the Funding Request Number Available for Public Use December 2025 E-Rate News Brief Page 3 of 7 (FRN) for each funding request. Pursuant to section 54.514(c) of the program rules, the applicant decides which method to use on a particular FRN: either the FCC Form 472/BEAR (Billed Entity Applicant Reimbursement) or the FCC Form 474/SPI (Service Provider Invoice).

## Documentation and Audit Compliance

§54.516 Auditing and inspections

Service provider shall provide all warranty and product documentation related to products or services sold to the applicant.

Service provider shall retain all documentation related to the purchase and payment, including Forms 474 and receipt of payment from USAC, for all products and services provided to the applicant. Related documentation must be retained for a period of TEN years from the last date of service.

If the applicant is audited by the Administrator of the program, the service provider shall fully cooperate with the applicant to provide any documentation related to the provision of discounted products and services as requested.

The service provider and/or applicant is solely responsible for verifying the accuracy of information submitted to Nexus E-Rate Services LLC (NESLLC). NESLLC disclaims and makes no warranty, express or implied, nor assumes any legal liability or responsibility for the validity, accuracy, correctness, or completeness of any information that is provided by the service provider or applicant to NESLLC.

By submitting bids for NESLLC client schools & libraries, the service provider agrees and understands that NESLLC will forward the information to USAC, and the service provider is responsible for verifying the accuracy of information submitted to NESLLC.

Nexus E-Rate Services, LLC shall not be liable for any direct, indirect, incidental, consequential or exemplary damages, including but not limited to, damages for loss of profits, data, or other intangible losses (even if NESLLC has been advised of the possibility of such damages), resulting from the service provider's non-response or incomplete response and/or the service provider's inaccurate, invalid, incorrect, or incomplete provision of information.

Nexus E-Rate Services LLC does not determine the services or needs of the applicant. In accordance with our organizational policy and to maintain impartiality in the vendor selection process, the consultant involved in this request for proposal (RFP) will not partake in the final selection of vendors. The consultant's role is to offer expertise and guidance in defining evaluation criteria, facilitating the process, and ensuring compliance with industry standards, without direct involvement in the vendor selection decision.

The RFP is inherently proprietary of Nexus E-Rate Services. The RFP acts as a proprietary roadmap for engaging potential vendors or service providers in a manner that aligns seamlessly with the company's distinctive identity and operational context.

## Security

In the event of a security breach, the winning vendor is required to alert THRIVE Community School as soon as the security breach is confirmed. Early warnings of possible security breaches will be treated as highly confidential information when shared with THRIVE Community School IT.

## Insurance

In addition to your standard general liability insurance as a condition of doing business, THRIVE Community School also prefers vendors bidding on this project must provide evidence of liability and workers comp insurance with this proposal. THRIVE Community School also prefers:

Cyber insurance: $1,000,000
Errors and Omissions insurance: $1,000,000

## Reservations

THRIVE Community School reserves the right to:

- Withdraw the RFP at any time, at the school sole discretion.
- Make an award under the RFP in whole or in part.
- Disqualify any bidder whose conduct and/or proposal fails to conform to the requirements of the RFP.
- Seek clarifications and revisions of proposals.
- Amend the RFP specifications to correct errors or oversights, or to supply additional information, as it becomes available.
- Change any of the scheduled dates.
- Negotiate with the successful bidder within the scope of the RFP in the best interests of the school.
- Utilize any and all ideas submitted in the proposals received.
- The school reserves the right to terminate any contract and/or agreement even with the successful bidder, regardless of USAC's approval or denial.
- Pricing sheets will not be considered a valid bid response and will be disqualified from consideration.

RFP Will Be Public Posted & Communicated by The School in The USAC EPC System. Service Providers MUST submit questions exclusively to the aforementioned email address. Answers will be posted & maintained in the USAC EPC System. It is the vendors responsibility to verify FCC Form 470 updates made in the EPC.

## Evaluation Process

THRIVE Community School will award the contract to the responsible service provider who best meets the needs of the school. To determine this service provider, THRIVE Community School will apply the best value concept.

**Evaluation Criteria will include:**

- The price of the eligible equipment and services must be the most heavily weighted factor.
- The vendor has prior experience with the school/library.
- The reputation of the vendor and of the vendor's goods and services.
- Technical Sufficiency is the ability to develop, produce and maintain technology bid.
- The invoicing method is chosen by the applicant FCC Form 474/Form 472, flexible invoicing.
- Is the Vendor located in or out of state to the school.

**Disqualification Criteria**

**The following criteria will be used by the school to disqualify a bid.**

- Unauthorized Service Provider contact with Applicant.
- Bid that does not provide definitive costs for the services requested.

- Bid includes generic/encyclopedic price lists and/or solution.
- Bids submitted after the due date.
- Bids submitted via fax.
- Lack of Service Provider Identification Number (SPIN).
- Lack of current FCC Form 473, Service Provider Annual Certification (SPAC) on file with
- USAC/SLD.
- FCDC Red-Light Status of Red.
- Bids from companies that include equipment barred by the Federal Communications Commission due to national security will be disqualified.
- Email submissions consisting solely of a message with pricing will not be accepted as an official bid response. However, bid responses submitted via email that include a formal proposal and completed pricing sheets will be accepted and considered responsive, provided all other bid submission requirements are met.
- Missing E-Rate Service Provider Bid Response Worksheet.

## Category One Services

## Internet Access

Pricing should be included for [100Mbps-1Gbps] increments from the minimum to the maximum bandwidths noted above. We are seeking [1,3,5] year contract options. [3 or 5 years] contracts should

allow for upgrades to quoted bandwidth throughout the terms of the contract. Eligible costs include monthly charges, special construction, installation and activation charges, software, modulating electronics and other equipment necessary to make a Category One wired or wireless broadband service functional ("Network Equipment"), and maintenance and operation charges, including costs for software needed for the operation of or maintenance of Network Equipment. Network Equipment and maintenance and operation costs for existing networks are eligible. A method to report service outages and receive basic technical support without additional service fees, and a service level agreement.

The cost to provide Internet Access (Bandwidth). Bidder's price shall include the following:

a. The available bandwidth should be a minimum of 100Mbps.

b. The service hand-off shall be directly with the Owner's supplied Local Area Network.

c. Construction & Installation- Trenching, boring, plowing. Installation of conduit, handholes, vaults, poles, and fiber cable, splicing, termination, and labeling.

d. Testing & Acceptance

e. Project Management
