Important Notes

- Please **email** all quotations to the above email addresses clearly marked "E-rate bid."
- All quotes must be submitted with the understanding that implementation may be dependent upon:
  - E-rate funding approval by the SLD
  - Enrollments
  - Existing budgetary requirements
- The following specifications are to be used as *guidelines* in quoting a solution. Although specification changes are permitted, *the quality of the product/service requested must be based upon industry standards* ***at time of delivery.***
- The items requested within this RFP may or may not be USF eligible. All non-eligible products and services must be itemized. Please use the 2027 USF Eligible Services List located on the USAC website (https://www.usac.org/e-rate/eligible-services-list/) for guidance. (Note: It is the vendor's responsibility to check for updates and corrections prior to submitting bids/quotations.)

- All respondents of this RFP confirm they are not an Iran-linked business.
- Implementation and completion of the services are contingent upon the district receiving approved funding from the Universal Services Fund. The services may be revised or terminated if the funds from the USF discount program are not approved or do not meet the expectations of the entity. If requested, the vendor will complete the SPI (Form 474) application. It is the vendor's responsibility to understand and comply with all rules and procedures required by the Schools and Libraries Corporation and the Universal Services Fund.
- The Board reserves the right to:
  - Reject any or all bids without assigning any reason thereto
  - Be the sole judge of equivalency
  - Waive any bid requirement in accepting or rejecting bids.

Bid Evaluation:

Although the cost of the product/service is of primary concern, the ability to accommodate growth and change and the total cost of operation (TCO) within the district are, in many ways, more important. **Do not assume the lowest bid will be awarded the project.**

To achieve this goal, bids will be evaluated on several factors.

- Prices/charges
- Prior experience
- Understanding of needs
- Personnel qualifications
- Completeness of response and adherence to bid specifications
- Capability of the bidder to successfully complete the installation/service within the required timeframe
