Narrative

The District is seeking pricing for Internal Connections Network Equipment and Licenses, with no installation. For a complete description of the services being requested, please refer to the District issued RFP for FY2027: WJUSD C2 RFP 27-28 Network Equipment.

Due to the way EPC has been created with the service category questions, please consider information drafted into quantities, fields, and units as an educated guess at a minimum for the issuance of this Form 470 and RFP. All quantities are estimates as solutions proposed by vendors to meet the minimum specifications required may necessitate differing quantities. Please refer to the RFP for details on equipment/services being requested and all requirements.

Any questions or requests for information should be made in writing via e-mail to the WJUSD Technology Department at erate@wjusd.org. The final day to submit questions is November 20, 2026 at 4:00 p.m.

All proposals must be submitted in writing by 4:00 p.m. on December 2, 2026 via e-mail to e-rate@wjusd.org. Proposals should be labeled as Woodland JUSD Y27-28 Network Equipment.

Note that the service types "Basic Maintenance of Internal Connections" (BMIC) and "Managed Internal Broadband Services" (MIBS) are only as applicable with the Internal Connections solution proposed meeting the RFP requirements. The District is not soliciting separate bids for BMIC or MIBS.

To ensure that all Service Providers receive the same RFP information, it is required that you download the RFP directly from USACs EPC website or from the link in the posted Form 470. Please Follow this Form 470 to receive updates.

The District is not soliciting separate bids for BMIC or MIBS as stand-alone solutions.
