Request for Proposal 2027

Don’t Need to include this in our proposal

Quick Summary: SJCALIC currently has total of 58 desktops and 16 laptops as well as 29 interactive boards. All classrooms are hardwired with one desktop or laptop per classroom. The MultiMedia lab contains 5 desktop computers which is included in the total above. There are 40 Wireless Access Points installed through-out the school. We also have 4 iPad carts that contain about 300 iPads which is run by the MDM program called WorkSpace. We have nine carts of 150 Chrombooks. We are looking to also update your current computers from Windows 7 to Windows 10 and plan to purchase few Interactive Boards.
