Nye County School District (NCSD) is seeking competitive bids for Category One transport-only Wide Area Network (WAN) connectivity for Funding Year 2027, with multi-year contract options. The District requests Leased Lit Fiber services for nineteen (19) point-to-point connections between district schools, facilities, district offices, and designated Nevada System of Higher Education (NSHE) network locations. Non-fiber transport alternatives will also be considered for Amargosa Valley, Round Mountain, and Gabbs schools. These three alternative requests are included within the nineteen (19) total circuits and do not represent additional connections. Internet access service is not being requested.

* Please see the attached Invitation to Bid, *20272028 E-Rate Category 1 Transport Services*, for all procurement requirements, important dates, and bid submission instructions. Refer to the attached *2027_2028 E-Rate Category 1 Transport Bid Pricing Sheets* for individual circuit endpoints and bandwidth requirements, ranging from 100 Mbps to 10 Gbps.

* The attached Excel pricing workbook contains multiple tabs, each representing an individual circuit and its requested bandwidth options. Bidders must provide pricing for all requested speeds for each circuit they propose to serve, using the District's required pricing format. Proposals that fail to provide the required pricing information may be deemed nonresponsive.

* All proposals and information requests must reference the Form 470 number. Questions must be submitted to Robert Williams at rwilliams@nyeschools.org, with a copy to gperson@erateelite.com, by December 4, 2026. Responses to questions will be posted on the District's RFP website. Bids must be received by January 8, 2027, at 2:00 p.m. Pacific Time, in accordance with the submission procedures in the Invitation to Bid.

* All proposals must include a copy of the proposed contract, including applicable terms, service-level commitments, installation and recurring charges, and renewal options. All one-time charges, special construction costs, taxes, fees, and any ineligible costs must be separately identified.

* As required by E-Rate Program rules, all bids must offer the Lowest Corresponding Price (LCP). Any offering of free services must be clearly identified and comply with USAC's Free Services Advisory.

* The District reserves the right to award individual circuits or groups of circuits, subject to applicable Nevada procurement requirements. Any resulting contract is subject to applicable E-Rate Program requirements, District approval, and the availability of funding.

* Bidders must comply with all applicable federal, state, and local procurement requirements and the certifications contained in the Invitation to Bid.
