State and Local Procurement Restrictions

All Service Providers submitting proposals in response to this FCC Form 470 must comply with applicable Federal Communications Commission (FCC) E-Rate rules, California procurement laws, and District Board policies. Failure to comply may result in denial, cancellation, or recovery of E-Rate funding and other applicable enforcement actions.

Service Providers must comply with the Lowest Corresponding Price (LCP) requirements under 47 CFR 54.500 and 54.511(b). All bids must comply with the requirements and specifications identified in the RFP and its associated documents.

Service Providers must comply with all applicable USAC invoicing requirements and deadlines. When the Service Provider Invoice (SPI) method is used, the Service Provider is responsible for timely submission of invoices to USAC. If E-Rate reimbursement is lost solely due to the Service Provider's failure to meet its invoicing obligations, the District shall not be responsible for the resulting loss of funding and shall remain responsible only for its applicable non-discounted share and any authorized ineligible costs, subject to the terms of the executed agreement.

Pricing and technology infrastructure information shall be subject to applicable public disclosure requirements, including 47 CFR 54.504(a)(2).

The District reserves the right to reject any or all bids, cancel the procurement, or proceed with all or part of the requested services, subject to applicable laws and contractual obligations. E-Rate funding is not guaranteed, and the issuance of an FCC Form 470 or receipt of funding does not obligate the District to purchase the requested equipment or services.

Service Providers are responsible for reviewing the complete RFP package, including all attachments and addenda, and submitting responsive bids in accordance with the published requirements and deadlines.

Projects classified as public works under California law are subject to applicable California Public Contract Code and Labor Code requirements, including prevailing wages, contractor registration with the Department of Industrial Relations (DIR), certified payroll reporting, and compliance monitoring and enforcement.
