B1. Notice of Award: Notice of an award by Osceola County will constitute acceptance of the bid from the overall lowest priced, most responsive, and responsible Bidder. The bid package signed by the successful Bidder, along with documentation included in the Bidder's submittal, as required by this Invitation to Bid, and other additional materials submitted by the Bidder and accepted by the County, shall constitute the Bidder's response. At the County's discretion, either a purchase order or other award document such as an agreement will be issued by the County when appropriate to do so.

B2. Applicable Law, Venue, Jury Trial: Any contractual arrangement between Osceola County and the successful Bidder shall be consistent with, and be governed by, the ordinances of Osceola County, the whole law of the State of Florida, both procedural and substantive, and applicable federal statutes, rules, and regulations. Any and all litigation arising under any contractual arrangement shall be brought in the appropriate court in Osceola County, Florida.

B3. Appropriations/Fund Availability: Any agreement resulting from this solicitation is deemed effective only to the extent that appropriations are available. Pursuant to Florida Statutes, all appropriations lapse at the end of the Fiscal Year. Multi-year awards shall be adequately funded; however, the County reserves the right not to appropriate funds for an ongoing procurement if it is deemed in its best interest.

B4. Compliance with All Laws: The Bidder, by submission of this bid, certifies that the Bidder will provide the services agreed upon in a timely and professional manner in accordance with the specifications. In addition, the Bidder shall comply with all laws, ordinances, judicial decisions, orders, and regulations of federal, state, county, and municipal governments, as well as their respective departments, commissions, boards, and officers, which are in effect at the time of execution of the contractual agreement.

B7. **Acceptance of Goods/Services:** Receipt of goods/services shall **not** constitute acceptance. Final acceptance and authorization of payment shall be given only after a thorough inspection indicates that the product/performance meets the Invitation to Bid specifications and conditions. Should the products/services differ in any respect from the specifications, payment will be withheld until such time as the Bidder takes necessary corrective action. If the proposed corrective action is not acceptable to the requesting department/office, the Procurement Services Office may authorize said department/office to refuse the final acceptance of the goods/services. Should a representative of Osceola County agree to accept the goods/services on the condition that the Bidder will correct its performance within a stipulated time period, then payment will be withheld until the services are performed as specified in the executed agreement.

B8. **Termination:**

(b) *Termination for Convenience*: The County reserves the right to terminate a contractual agreement, in whole or part, by giving the Bidder written notice at least thirty (30) days prior to the effective date of the termination. Upon receipt of termination from Osceola County, the Bidder shall only provide those services specifically approved or directed by the County. All other rights and duties of the parties under the agreement shall continue during such notice period, and the County shall continue to be responsible to the Bidder for the payment of any obligations to the extent that such responsibility has not been excused by breach of default of the Bidder.

(c) *Payment upon Termination:* Upon termination, the Bidder shall bill the County for all amounts not previously billed and due the Bidder at that time. The Bidder shall not be entitled to a professional fee, or expenses for any work commenced, or expenses incurred after the notice of termination was received by the Bidder, unless specifically approved or requested by the County. The Bidder shall, however, be entitled to payment for services commenced, completed, and approved by the County prior to the receipt of notice, or with the express written consent of the County, prior to the effective date of termination, which have resulted in a usable product or otherwise tangible benefit to the County. All such payments shall be subject to a set-off for any damages incurred by the County resulting from any delay occasioned by the early termination.

The County agrees to indemnify, defend, and hold the Bidder harmless for any and all claims, suits, judgments or damages, losses, and expenses, including but not limited to court costs, expert witnesses, consultation services, and attorney's fees, arising from any and all acts and/or omissions of the County, or any of its employees, agents, servants, representatives, or the like, in connection with an agreement.

B14. Bankruptcy or Insolvency: If the successful Bidder shall file a Petition in Bankruptcy, or if the same shall be adjudged bankrupt or insolvent by any Court, or if a receiver of the property of the successful Bidder shall be appointed in any proceeding brought by or against the creditors, or proceedings shall be commenced on or against the successful Bidders' operations of the premises, the County reserves the right to terminate any contractual agreement immediately.

B15. Assignment: The successful Bidder will not be permitted to assign its contract with the County, or to subcontract any of the work requirements to be performed, without obtaining prior written approval from the County.

B16. Waiver: Failure of the parties to insist upon strict performance of any of the covenants, terms, provisions, or conditions contained in a contractual agreement, or to exercise any right or option therein, shall not be construed as a waiver or a relinquishment for the future of such covenant, term, provision, condition, or right of election, but same shall remain in full force and effect.

B17. Changes: The County reserves the right to order, in writing, changes in the work within the scope of services of a contractual agreement, such as a change in quantity or delivery schedule.

B18. Modifications: In addition to modifications made under the changes clause, any agreement resulting from this solicitation may be modified (1) within the scope of services of the agreement upon the written and mutual consent of both parties, and (2) with approval by the appropriate legal body in Osceola County.

B19. Administrative Provisions: In the event the County issues a purchase order, memorandum, letter, or any other instrument addressing the services, work, and materials to be provided and performed pursuant to a contractual agreement, it is specifically agreed and understood that any such purchase order, memorandum, letter, or any other instrument is for the County's internal purposes only, and any and all terms, provisions, and conditions contained therein, whether printed or written, shall in no way modify the covenants, terms, and provisions of the contractual agreement and shall have no force or effect thereon.

B20. **Taxes:** Osceola County is tax exempt. As such, the County does not pay State of Florida Sales Tax or Federal Excise Tax. The County's State Sales Tax Exemption number is 85-8013132398C-5 and the Federal Exemption Identification Number is 59-6000780.

B21. **Independent Pricing:** By submission of this bid, the Bidder certifies, and in the case of a joint bid, each party thereto certifies as to its own organization, that, in connection with this procurement:

(a) The prices in this bid have been arrived at independently, without consultation, communication, collusion, or agreement for the purpose of restricting competition, as to any matter relating to such prices with any other Bidder or with any competitor;

(b) Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the Bidder and will not knowingly be disclosed by the Bidder prior to opening, directly or indirectly, to any other Bidder or to any competitor; and,

(c) No attempt has been made or will be made by the Bidder to induce any other person or firm to submit or not to submit a bid for the purpose of restricting competition.

B22. **Public Entities Crimes:** A person or affiliate who has been placed on the convicted contractor list, following a conviction for public entity crime may not submit a bid on a contract to provide any goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit a bid on a lease of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in section 287.017, Florida Statutes, for CATEGORY TWO for a period of thirty-six (36) months from the date of being placed on the convicted contractor list. B23. **Other Entity Use:**

(a) All Bidders submitting a response to this Invitation to Bid agree that such response also constitutes a bid to all governmental agencies, under the same conditions, for the same contract price, and for the same effective period as this bid, should the Bidder feel it is in its best interest to do so.

(b) Each governmental agency desiring to accept these bids, and making an award thereof, shall do so independently of any other governmental agency. Each agency shall be responsible for its own purchases and each shall be liable only for materials and/or services ordered and received by it, and no agency assumes any liability by virtue of this bid.

(c) This solicitation in no way restricts or interferes with the right of any governmental agency to re-bid any or all items.

Furthermore, all Bidders must disclose the name of any Osceola County officer or employee who owns, directly or indirectly, an interest of ten percent (10%) or more of the Bidder's firm or any of its branches. It is the sole responsibility of the Bidder to ensure compliance with the County Administrative Code, Chapter 3, Section 3.9, Conflict of Interest. Please complete and submit Attachment D with your bid submittal. The County will seek damages for the recoupment of losses in having to re-bid or re-assign this solicitation.

B25. **Additional Terms and Conditions:** No additional terms and conditions included with the bid response shall be evaluated or considered, and any and all such additional terms and conditions shall have no force and effect and are inapplicable to this bid. If submitted either purposely through intent or design, or inadvertently appearing separately in transmitting letters, specifications, literature, price lists, or warranties, it is understood and agreed that the general and special conditions in this solicitation are the only conditions applicable to this bid, and the Bidder's authorized signature, affixed to the bid, attests to this.

B26. **Force Majeure:** Neither party to this agreement shall be liable to the other for any cost or damages if the failure to perform the agreement arises out of causes beyond the control and without the fault or negligence of the parties. Such causes may include, but are not limited to, the following: acts of God, fires, quarantine restriction, strikes, and freight embargoes. In all cases, the failure to perform must be totally beyond the control and without any fault or negligence of the parties.

B27. **Public Emergencies:** It is hereby made a part of this bid that before, during, and after a public emergency, disaster, hurricane, tornado, flood, or other acts of God, Osceola County shall require a "First Priority" for goods and services. It is vital and imperative
