Crest Unified School District No. 479
Request For Proposal – E-RATE Category I

Crest Unified School District No. 479 is accepting proposals for a three-year internet contract.

The contract should provide for the following:

1. At least a 2Gbps symmetrical connection to the district's main campus located at 603 E Broad St., Colony, KS 66015
    a. To include no less than **five static public IPv4 addresses**
    b. To include any applicable installation fees
    c. To include any applicable equipment fees required to activate the service
2. A leased-lit or leased-dark fiber connection from the main campus located at 603 E Broad St., Colony, KS 66015 to the district's bus barn located at 18536 SW 350 Rd, Colony, KS 66015
    a. Leased-lit or leased-dark fiber connection should be capable of reaching symmetrical speeds of at least 2Gbps (the same line rate as the primary connection to the campus) between locations
    b. To include any applicable installation fees
    c. If leased-lit, to include any applicable equipment fees required to activate the service
    d. To include any applicable construction fees

Any proposals that do not contain pricing will be rejected.
