Narrative
Please reference Form 470 # 270003990 on all correspondence. Your bid may not be considered received without reference to the specific 470 number. You must refer to the attached RFP document for full details. USAC advised all applicants to include all three categories of service on each 470. Lafayette School Corporation is seeking proposals for a project to supply network equipment for its eligible locations. Bidders are advised that this project will be contingent upon the successful obtaining of Category 2 E-Rate funding, and the contract agreement between the district and the successful bidder must recognize that contingency. The Applicant seeks an agreement that allows it to work with the selected vendor to adjust quantities and/or scale back or cancel the project entirely as needed based upon funding availability and/or the best interests of the Applicant. _____ Questions No informational meetings or building visits will be scheduled. Any questions related to the technical aspects of this document should be directed to Ben Murray at erate@lsc.k12.in.us with a copy to karenr@adtecerate.com , no later than Noon on December 4, 2027. Answers to any written questions or any additional information, revisions, or clarifications to the RFP will be provided in the form of an addendum to be posted with the FCC Form 470 on the Universal Service (E-Rate) website. It is the sole responsibility of the Service Provider to check for any addenda that may be issued. _____ Proposal Delivery

Proposals must be prepared with specificity with regard to the services listed herein. Bids merely listing a general menu of services available from a vendor, bids appearing to be automatically generated without specificity in relation to the requirements of this RFP, and bids missing substantial information but inviting the applicant to contact the bidder to refine the bid and/or discuss specifics will not be considered valid bid responses and will be disqualified from consideration. This includes any SPAM and/or robotic responses. For more information, please review the USAC E-Rate News Brief of February 15, 2024.
All proposals must reflect the LCP (Lowest Corresponding Price), GSA pricing, and any available governmental unit discounts including existing state purchasing agreements or contracts when applicable. Any proposal referencing an existing state purchasing agreement or contract must include that information in the proposal. Bid prices must be complete for the services proposed and shall include all associated costs, even if the amounts are estimates based upon current applicable taxes, surcharges, or fees. Each line item on proposal should clearly list Quantity, Manufacturer, Part Number, Description, Unit Price, and Extended Price. Proposals MUST separate eligible and ineligible services by line item for all services to which service provider responds. No proposal can be submitted that includes equipment or components for equipment from companies deemed to provide a national security risk as defined by FCC Order 19-121.
All bidders are encouraged to:
1. Read and follow the RFPs carefully.
2. Adhere to the FCC E-Rate rules.

Failure to meet any requirement in this 470 or RFP will be sufficient cause to disqualify your proposal.
