Per new USAC guidelines, submitting non-responsive bids (bids that do not exactly respond to the requirements of the RFP/FCC Form 470 is a disqualification factor. All bids must follow local and state procurement guidelines. The applicant may consider multi-year contracts with voluntary extensions and is willing to consider month-to-month arrangements or contracts with varying terms. Any voluntary extensions must be specified in the awarded contract and must have a specified number and duration. Any offering of free services must be clearly identified in service providers' bids and must be in full compliance with USAC's Free Services Advisory. Language for long-term contracts must include a disclaimer if E-rate funding is discontinued to protect the

applicant. The district desires the ability to add or remove services as business needs require. As required by Erate rules, all bids in response to this Form 470 must offer the Lowest Corresponding Price (LCP). See: http://www.usac.org/sl/serviceproviders/step02/lowestcorrespondingprice.aspx.

While specific bids specify a particular brand due to the current platform, equivalent or comparable brands will also be considered.
